1 Introduction

1.1 Purpose

This document outlines the Service Provider (SP) and Service Provider Consultant (SPC) tools and processes related to the non-geographic 9YY-NXX resource associated with the **Subscription Choice of Other Resources** in the web-based application of the NANP Administration System (NAS). The **Subscription Choice of Other Resources** in NAS automates the non-geographic 9YY-NXX functions and the management of these numbering resources. The administration of non-geographic 9YY-NXX is defined in the ATIS-0300060, *9YY NXX Code Assignment Guidelines*.

The process of assigning 9YY-NXXs, is governed by a set of industry-defined forms (e.g., Part 1, Part 3, and Part 4). NAS manages these forms by electronic means so that any registered user can access them via a connection to the World Wide Web.

1.2 Other Resources Subscription

The **Subscription Choice of Other Resources** allows a user to submit and view data associated with non-geographic 9YY-NXX resources. In order to access the **9YY-NXX** toolbar, the **Subscription Choice of Other Resources** must be selected in the user's profile [see *Service Provider and Service Provider Consultant NANP Administration System (NAS) User Registration Guide*].

1.3 Content Summary

This document will guide Service Provider (SP) and Service Provider Consultant (SPC) users through the following tasks related to non-geographic 9YY-NXX resources:

- Submit non-geographic 9YY-NXX Applications
- Submit non-geographic 9YY-NXX Part 4 (Confirmation of In Service)
- View non-geographic 9YY-NXX Forms

1.4 Related Documents

The procedures provided in this document are consistent with the Federal Communication Commission (FCC) rules and the Industry Numbering Committee ATIS-0300060, *9YY NXX Code Assignment Guidelines*.

Other related documents include:

- *Service Provider and Service Provider Consultant NANP Administration System (NAS) User Registration Guide*

1.5 Conventions

This document presents the text that appears on NAS screens (e.g., toolbar items, field labels and button text) as well as internal and external document references. Toolbar items, field names and internal document references are shown in **bold black**, internal document references are hyperlinked, and external document references are *black italicized*.

1.6 User Access

The data available to a NAS user with the subscription of Other Resources shall be restricted based on the user type selected.

1.6.1 Service Provider (SP)

A Service Provider (SP) user is a representative of an entity authorized to request and hold assignments of North American Numbering Plan (NANP) resources.

SP will only be able to submit and view data for the Service Provider OCNs in their user profile.

1.6.2 Service Provider Consultant (SPC)

A Service Provider Consultant (SPC) user is a representative of an entity authorized to request assignments of North American Numbering Plan (NANP) resources for a Service Provider (SP) under contract with them.

SPC users will only be able to submit and view data for the Service Provider OCNs in their user profile.

1.7 Preparations

1.7.1 NANP Administration System (NAS) Registration

A user is required to have an approved Service Provider or Service Provider Consultant registration with the **Subscription Choice** of **Other Resources** selected and the Service Provider OCN in their user profile [see the *Service Provider and Service Provider Consultant NANP Administration System (NAS) User Registration Guide*].

1.7.2 Two-Factor Authentication

The NANP Administration System (NAS) requires two-factor authentication for FISMA compliance, therefore, NAS users are required to establish two-factor authentication in order to access the NAS (see the *Two-Factor Authentication User Guide*).

1.8 Troubleshooting

Any questions or issues may be emailed to support@nanpa.com or call 866-623-2282.

2 Login

To log in to NAS the user must be a registered user, have a valid and active username and password, and have established two-factor authentication.

2.1 NAS Log In

From the NANPA home page (<https://www.nanpa.com>), select **Login** located in the upper right corner (see red box in Figure 2-1), then the **Log In To NAS** screen will be displayed (Figure 2-2).

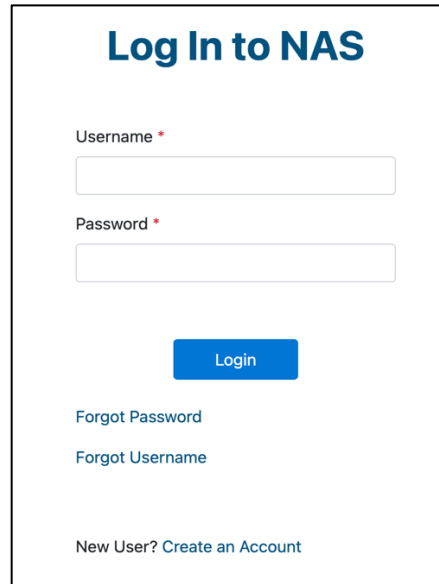

Figure 2-1

The NAS Log In screen (Figure 2-2) allows the user to enter their login credentials. All fields with a red asterisk (*) are required.

Log In to NAS

Username *

Password *

Login

[Forgot Password](#)

[Forgot Username](#)

New User? [Create an Account](#)

Figure 2-2

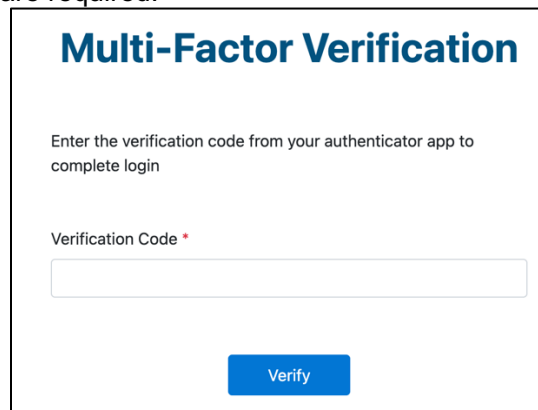

The user must enter valid data for the following fields:

- **Username**
- **Password**

When all data is entered the user must select **Login**. When all validations are met, NAS will provide the **Multi-Factor Verification** screen (Figure 2-3).

2.2 Multi-Factor Verification

The user must enter the Two-Factor Authentication code associated with their NAS account. All fields with a red asterisk (*) are required.

Multi-Factor Verification

Enter the verification code from your authenticator app to complete login

Verification Code *

Verify

Figure 2-3

The user must enter a valid:

- **Verification Code**

When all data is entered, the user must select **Verify**. When all validations are met, NAS will provide the **Dashboard** (Figure 2-4).

Figure 2-4

2.3 Reset Your Password

Users can reset their password at any time.

To reset your password, select the **Person icon** located in the upper right corner (Figure 2-5), then select **Reset Password**. NAS will provide the **Change Password** screen (Figure 2-6).

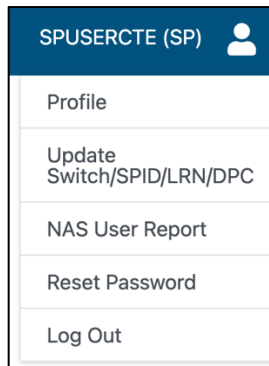

Figure 2-5

The **Change Password** screen (Figure 2-6) allows the user to change their NAS GUI password.

The user must enter a valid:

- Current Password
- New Password

When all data is entered the user must select **Change Password**. When all validations are met, NAS will provide the **Confirmation** screen (Figure 2-7).

Change Password

Current Password *

New Password *

Password Requirements:

- ⊗ At least 16 characters
- ⊗ At least 1 uppercase letter
- ⊗ At least 1 lowercase letter

Confirm New Password *

Change Password

Figure 2-6

The **Confirmation** screen (Figure 2-7) confirms the user's password was reset.

Select **Home** to return to the **Dashboard** or select a function from the toolbar to proceed with a task.

Figure 2-7

2.4 Update User Profile

To update your user profile, select the **Person icon** located in the upper right corner (Figure 2-5), then **Profile**, the **Profile** screen will be displayed (Figure 2-8).

To edit any information, click the **Edit** link (Figure 2-8) for the applicable section, this will vary based on the type of resource subscriptions you are subscribed to. Then select **Next** to return to the **Profile** screen. After making the required changes, then select **Update Profile** to submit those changes, NAS will display the **Confirmation** screen (Figure 2-9).

Figure 2-10

From the **NAS User Report** screen, select the following;

- **State** – Select a **State**. This is a drop-down list of states in the user's profile.
- **NPA** – Select an **NPA**. This is a drop-down list of all NPAs in the user's profile.
- **Service Provider OCN** – Select a **Service Provider OCN**. This is a drop-down list of all Service Provider OCNs in the user's profile.
- **Status** – Select the **Status** of **Active**, **Inactive** or **Both**.

Select **Submit** to view the **NAS User Report** (Figure 2-11).

Figure 2-11

Additional Information:

- If no results are found based on the search criteria, the following message will be provided **“No results found for those search parameters.”**
- To download the report to Excel, select **Export to XLSX**.
- To go back to the prior screen to change the search criteria, select **Search Again**.
- The report may be sorted by using the arrows provided in the columns, the arrow **^** highlighted shows the current sort.

3 Access 9YY-NXX Toolbar

To access the **9YY-NXX** toolbar, which includes all tasks outlined in **1.3 Content Summary**, the user must have the **Subscription Choice** of **Other Resources** in their user profile.

3.1 Accessing 9YY-NXX Toolbar

From the **Dashboard**, select **9YY-NXX** from the toolbar (see Figure 3-1) to display the **9YY-NXX** toolbar options (Figure 4-1).

NOTE: Toolbar options will vary based on the **Subscription Choices** selected in the user’s profile.

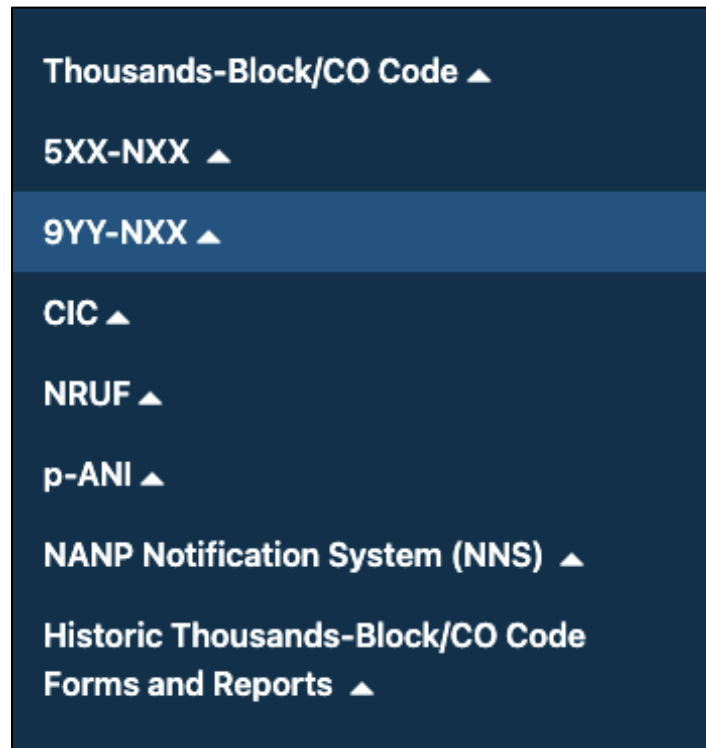

Figure 3-1

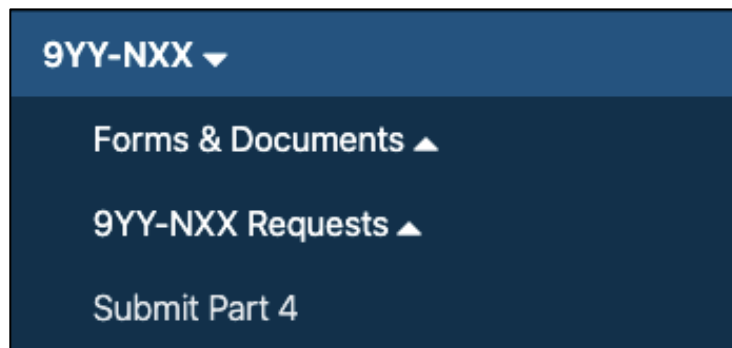

Figure 3-2

4 Forms & Documents

This section provides direction on the **Forms & Documents** functions (Figure 4-1) for 9YY-NXX resources which includes:

- Section 4.1 **View Forms**, which allows users to view forms associated with 9YY-NXX applications submitted in NAS.

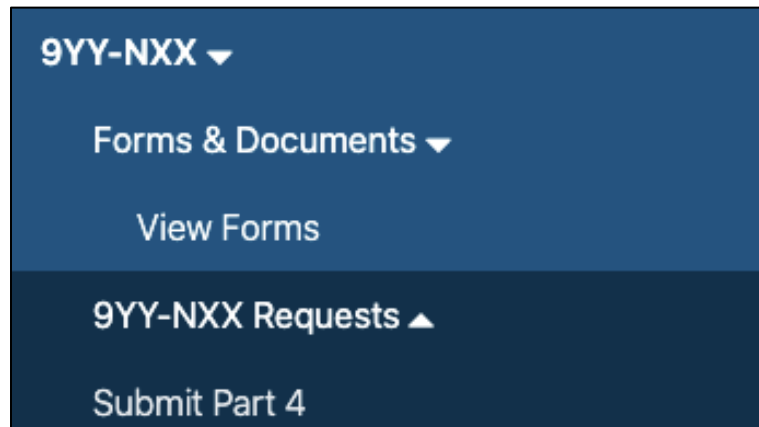

Figure 4-1

4.1 View Forms

View Forms allows a user to search for and view 9YY-NXX forms submitted in the NAS GUI.

All users with the **Subscription Choice** of **Other Resources** and the Service Provider OCN in their user profile may view all submitted forms, even if another user submitted the form.

From the **9YY-NXX** toolbar, select **Forms & Documents** (Figure 3-2). NAS will display the **Forms & Documents** toolbar, then select **View Forms** (Figure 4-1), NAS will display the **9YY-NXX Forms Search** screen (Figure 4-2).

4.1.1 9YY-NXX Forms Search

From the **9YY-NXX Forms Search** screen (Figure 4-2), the user must select a **Selection** from the drop-down list.

- **Tracking Number**
- **9YY-NXX**
- **Advance Search**

When **Tracking Number** is selected, only documents associated with the tracking number will be provided.

When **9YY-NXX** is selected, all documents associated with the Service Provider OCNs in the user's profile will be provided for 9YY-NXX resource entered will be provided.

When **Advanced Search** is selected, all documents meeting the search criteria and associated with the Service Provider OCNs in the user's profile will be provided. The user must select or enter the:

- **Service Provider OCN**
- **Date Range From**
- **Date Range To**
- **Form Type**

Select **Search** to continue. When all validations are met, NAS will display the search results at the bottom of the **9YY-NXX Forms Search** screen (Figure 4-3).

When no applications meet the search criteria, NAS will display the message **“There are no records to display”** at the bottom of the **9YY-NXX Forms Search** screen.

To view a form, select the eye icon at the end of the form’s row. Forms will open in a new tab.

The screenshot displays the '9YY-NXX Forms Search' interface. At the top, the title '9YY-NXX Forms Search' is centered in a large blue font. Below the title, the 'Search' section contains a 'Selection' dropdown menu with 'Select' as the current option and a small downward arrow. To the right of this dropdown is a wide, light gray rectangular input field. The 'Advanced Search' section follows, featuring a 'Service Provider OCN' dropdown menu with 'Select' and a downward arrow. Below this is the 'Date Range' section, which includes 'From' and 'To' labels. Each label is followed by a text input field containing the placeholder 'mm/dd/yyyy' and a calendar icon. At the bottom of the form is the 'Form Type' dropdown menu with 'All' and a downward arrow. At the very bottom of the interface are two buttons: a light blue 'Clear Form' button and a dark blue 'Search' button.

5 9YY-NXX Requests

This section provides direction on creating and submitting 9YY-NXX applications (Figure 5-1). 9YY-NXX application options include:

- Section **5.1 9YY-NXX Request**, submits a new 9YY-NXX application.
- Section **5.2 9YY-NXX Modification**, submits a modification to an assigned 9YY-NXX(s).
- Section **5.3 9YY-NXX Disconnect**, submits a disconnect to an assigned 9YY-NXX(s).

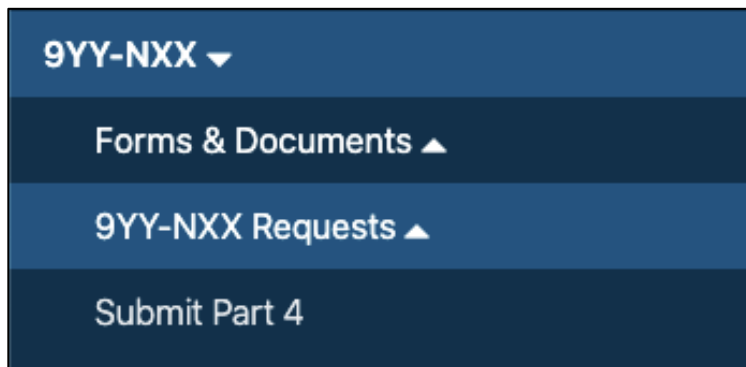

Figure 5-1

5.1 9YY-NXX Request

9YY-NXX Request allows a user to apply for a new 9YY-NXX CO Code in the NAS GUI.

From the **9YY-NXX** toolbar, select **9YY-NXX Requests**, then **9YY-NXX Request** (Figure 5-2). NAS will display the **Part 1 – Service Provider** screen (Figure 5-3).

Figure 5-2

5.1.1 Part 1 – Service Provider

The **Part 1 – Service Provider** screen (Figure 5-3) allows the user to select the preliminary data for the application. The user must enter the:

- **Service Provider OCN**
- **Type of Request (Initial or Growth)**
- **Quantity of 9YY-NXX(s) being requested**

Only **Service Provider OCNs** in the user's profile will be provided in the drop-down list.

Select the **Part 1 Form Footnotes/Instructions** link at the bottom of the screen to see the Part 1 Form Footnotes/Instructions.

Select **Continue** to proceed with the application. When all validations are met, NAS will provide the:

- **Part 1 – Initial 9YY-NXX** screen (Section 5.1.2) when the application is for an Initial resource.
- **Part 1 – Growth 9YY-NXX** screen (Section 5.1.3) when the application is for a Growth resource(s).

Figure 5-5

5.1.4 Confirmation

The **Confirmation** screen (Figure 5-6) confirms successful submission of the application, provides the tracking number, and allows the user to attach documents to the application.

Select **Home** to return to the **Dashboard** or select another function from the toolbar to proceed with another task.

Figure 5-6

5.2 9YY-NXX Modification

9YY-NXX Modification allows a user to modify data associated with an assigned 9YY-NXX in the NAS GUI.

From the **9YY-NXX** toolbar, select **9YY-NXX Requests**, then **9YY-NXX Modification** (Figure 5-7). NAS will **display the 9YY-NXX Modification Request** screen (Figure 5-8).

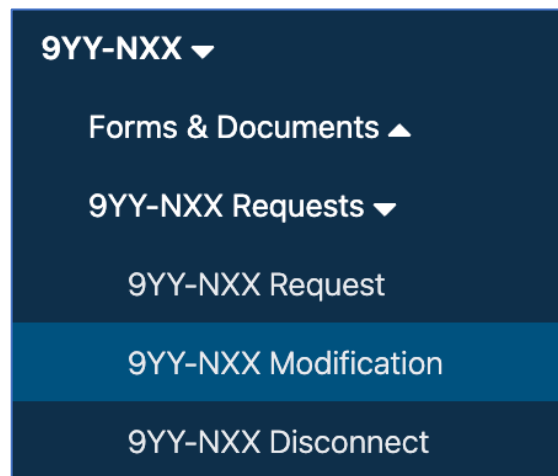

Figure 5-7

5.2.1 9YY-NXX Modification Request

The **9YY-NXX Modification Request** screen (Figure 5-8) allows the user to select the preliminary data for the application. Enter the:

- **Type of Change (OCN: Intra-company or OCN: Inter-company)**
- **Enter the 9YY-NXX Code**
- **Service Provider OCN**

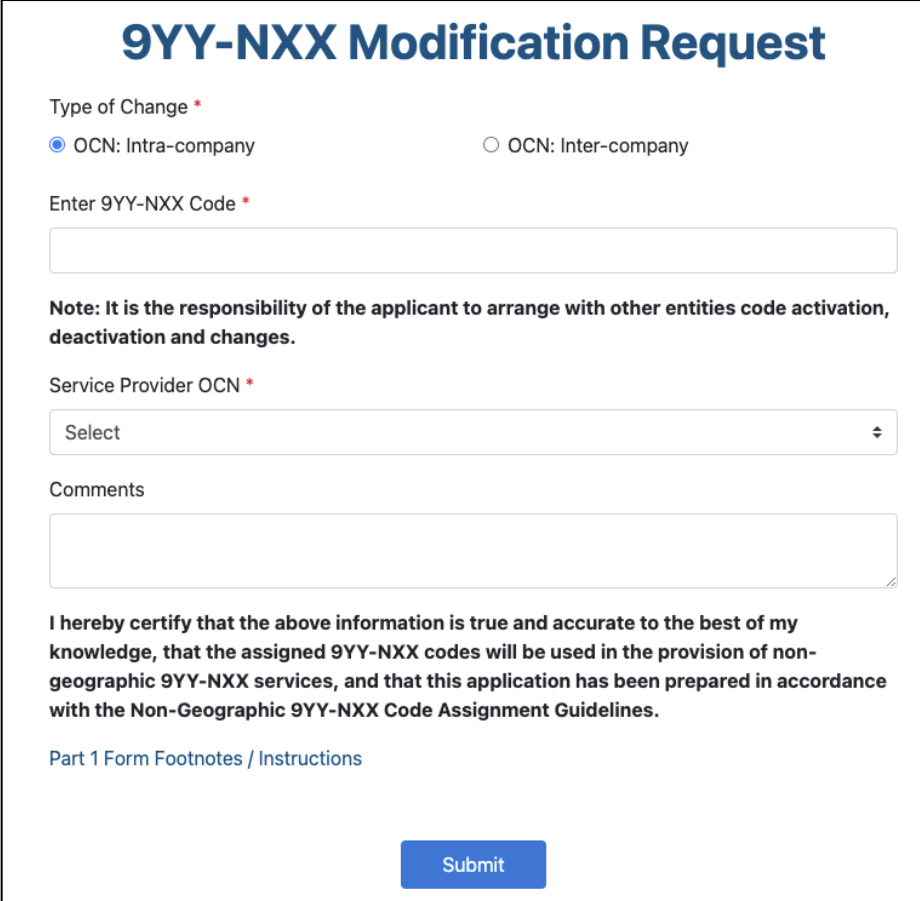

Only **Service Provider OCNs** in the user's profile will be provided in the drop-down list.

The user may also enter any information for the Resource Administrator in the:

- **Comments**

Select the **Part 1 Form Footnotes/Instructions** link at the bottom of the screen to see the Part 1 Form Footnotes/Instructions.

Select **Submit** to complete the application. When all validations are met, NAS will provide the **Confirmation** screen (Figure 5-9).

The screenshot shows a web form titled "9YY-NXX Modification Request". The form includes the following elements:

- Title:** 9YY-NXX Modification Request
- Type of Change ***: Two radio button options: "OCN: Intra-company" (selected) and "OCN: Inter-company".
- Enter 9YY-NXX Code ***: A text input field.
- Note:** It is the responsibility of the applicant to arrange with other entities code activation, deactivation and changes.
- Service Provider OCN ***: A dropdown menu with "Select" as the current selection.
- Comments**: A large text area for entering comments.
- Disclaimer:** I hereby certify that the above information is true and accurate to the best of my knowledge, that the assigned 9YY-NXX codes will be used in the provision of non-geographic 9YY-NXX services, and that this application has been prepared in accordance with the Non-Geographic 9YY-NXX Code Assignment Guidelines.
- Link:** [Part 1 Form Footnotes / Instructions](#)
- Submit Button:** A blue button labeled "Submit".

Figure 5-8

5.2.2 Confirmation

The **Confirmation** screen (Figure 5-9) confirms successful submission of the application, provides the tracking number, and allows the user to attach documents to the application.

Select **Home** to return to the **Dashboard** or select another function from the toolbar to proceed with another task.

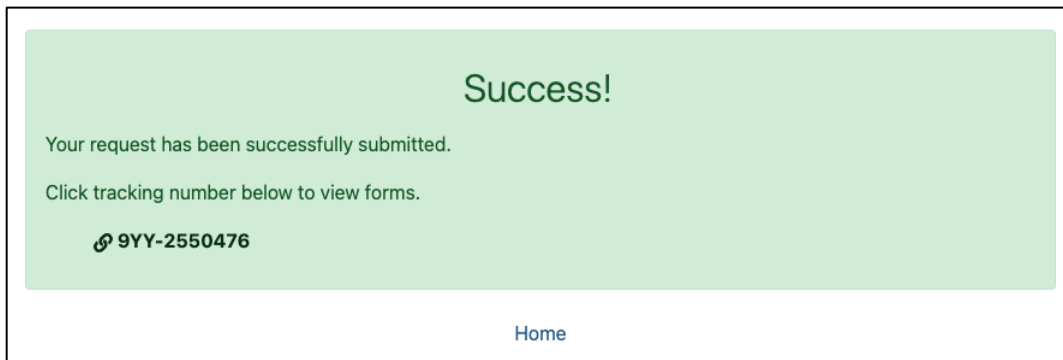

Figure 5-9

5.3 9YY-NXX Disconnect

9YY-NXX Disconnect allows a user to disconnect an assigned 9YY-NXX in the NAS GUI.

From the **9YY-NXX** toolbar, select **9YY-NXX Requests**, then **9YY-NXX Disconnect** (Figure 5-10). NAS will **display the 9YY-NXX Disconnect** screen (Figure 5-11).

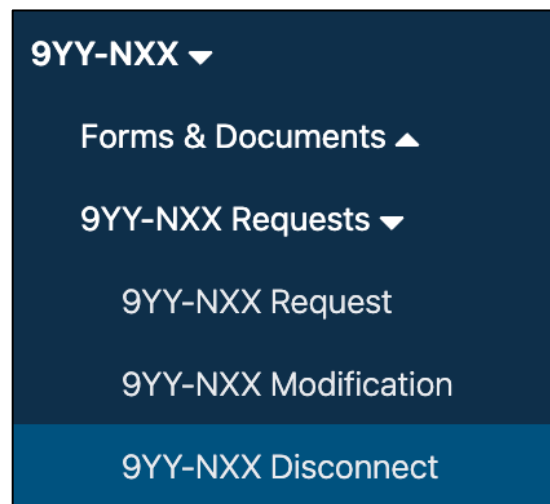

Figure 5-10

5.3.1 9YY-NXX Disconnect Request

The **9YY-NXX Disconnect Request** screen (Figure 5-11) allows the user to select the data for the 9YY-NXX to be disconnected. Select the:

- **Service Provider OCN**

Once the selections are made, NAS will provide a list of **9YY-NXXs (Figure 5-12)**. Use the checkbox next the **9YY-NXX** to select the **9YY-NXX(s)** being disconnected.

Only **Service Provider OCNs** in the user's profile will be provided in the drop-down list.

Select the **Part 1 Form Footnotes/Instructions** link at the bottom of the screen to see the Part 1 Form Footnotes/Instructions.

Figure 5-11

Figure 5-12

5.3.2 9YY-NXX Disconnect Confirmation

The **9YY-NXX Disconnect Confirmation** screen (Figure 5-13) provides the user an opportunity to review the 9YY-NXX(s) selected.

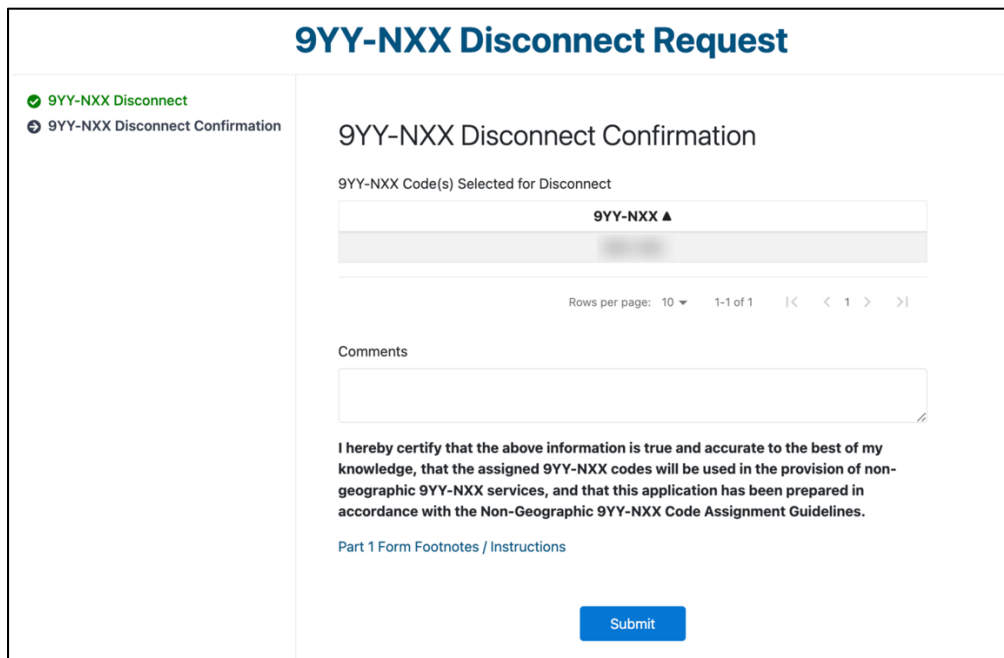

When the **9YY-NXX Code(s) Selected for Disconnect** are missing from the list or listed in error, the user will need to start the process over.

Enter any information for the Resource Administrator in the:

- **Comments.**

Select the **Part 1 Form Footnotes/Instructions** link at the bottom of the screen to see the Part 1 Form Footnotes/Instructions.

Select **Submit** to complete the application. When all validations are met, NAS will provide the **Confirmation** screen (Figure 5-14).

The screenshot displays the '9YY-NXX Disconnect Request' interface. On the left, a sidebar shows two items: '9YY-NXX Disconnect' with a green checkmark and '9YY-NXX Disconnect Confirmation' with a blue circle icon. The main content area is titled '9YY-NXX Disconnect Confirmation'. Below the title, it says '9YY-NXX Code(s) Selected for Disconnect' and shows a table with one row containing a blurred code and an upward-pointing triangle. Below the table is a pagination control showing 'Rows per page: 10' and '1-1 of 1'. A 'Comments' section with a text input field is present. Below the input field is a certification statement: 'I hereby certify that the above information is true and accurate to the best of my knowledge, that the assigned 9YY-NXX codes will be used in the provision of non-geographic 9YY-NXX services, and that this application has been prepared in accordance with the Non-Geographic 9YY-NXX Code Assignment Guidelines.' A link for 'Part 1 Form Footnotes / Instructions' is located below the statement. At the bottom center, there is a blue 'Submit' button.

Figure 5-13

5.3.3 Confirmation

The **Confirmation** screen (Figure 5-14) confirms successful submission of the application, provides the tracking number, and allows the user to attach documents to the application.

Select **Home** to return to the **Dashboard** or select another function from the toolbar to proceed with another task.

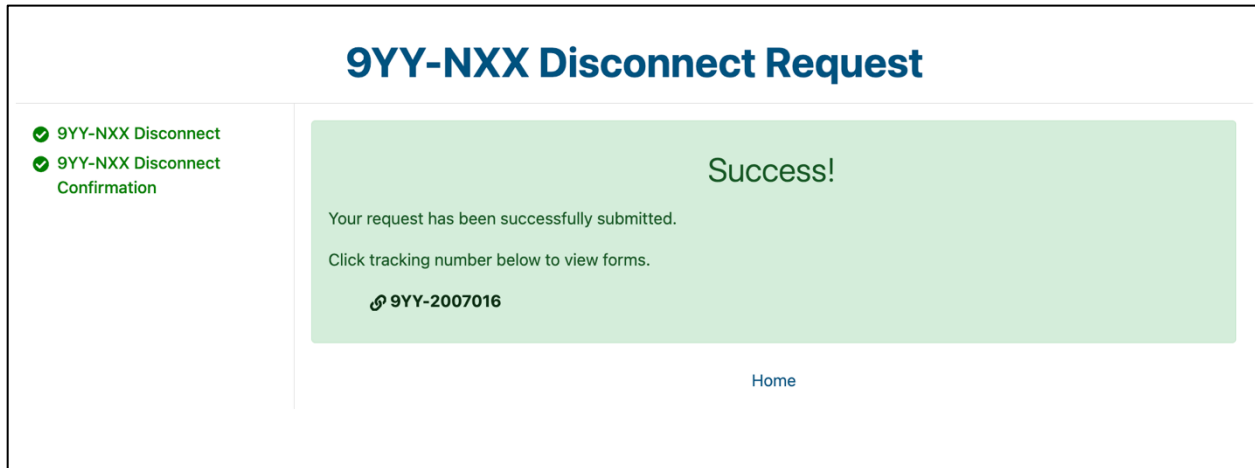

Figure 5-14

6 Submit Part 4

This section provides direction on creating and submitting the 9YY-NXX Confirmation of In Service – Part 4.

From the **9YY-NXX** toolbar, select **9YY-NXX Requests**, then **Submit Part 4** (Figure 6-1). NAS will display the **9YY-NXX Part 4 Search** screen (Figure 6-2).

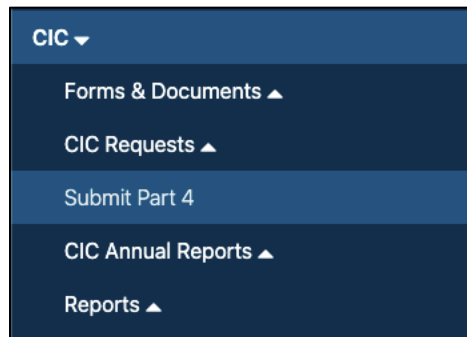

Figure 6-1

6.1.1 9YY-NXX Part 4 Search

The **9YY-NXX Part 4 Search** screen (Figure 6-2) allows the user to enter data to identify the 9YY-NXX for which a Part 4 is being submitted. The user may enter the:

- **Tracking Number**
- **9YY-NXX**
- **Service Provider OCN and 9YY**

When the user enters a **Tracking Number**, only the 9YY-NXX associated with the tracking number will be provided. NAS will provide the **Submit 9YY-NXX Part 4** screen (Figure 6-3).

When the user enters a **9YY-NXX**, only the entered 9YY-NXX will be provided. NAS will provide the **Submit 9YY-NXX Part 4** screen (Figure 6-3).

When the user enters a **Service Provider OCN** and **9YY**, all 9YY-NXX that require a Part 4 and are associated with the Service Provider OCN and 9YY entered will be listed. NAS will provide the **Submit 9YY-NXX Part 4** screen (Figure 6-4).

To clear the data from the fields, select **Clear Form**.

Select **Continue** to proceed. NAS will provide the **Submit 9YY-NXX Part 4** screen (Figure 6-3 and Figure 6-4).

Figure 6-2

6.1.2 Submit 9YY-NXX Part 4

The Submit 9YY-NXX Part 4 screen allows the user to complete and submit the Part 4.

When a **Tracking Number** or **9YY-NXX** was entered, NAS will provide the **Submit 9YY-NXX Part 4** screen shown in Figure 6-3.

When a **Service Provider OCN** and **9YY** was entered, NAS will provide the **Submit 9YY-NXX Part 4** screen shown in Figure 6-4.

Select or update the:

- **Select** checkbox next to the 9YY-NXX
- **In-Service Date**

Select **Submit** to complete the submission of the Part 4. When all validations are met, NAS will provide the **Confirmation** screen (Figure 6-5).

9YY-NXX Part 4 Submission

By signing below, I certify that the 9YY code(s) specified below are in service (i.e., one or more telephone numbers from the code are assigned to end users or customers) and that the NXX code(s) are being used for the purpose specified in the original application (see Section 5.0, "Responsibilities of Code Applicants and Holders" in the current Non-Geographic 9YY-NXX Code Assignment Guidelines).
