1 Introduction

1.1 Purpose

This document outlines the State Regulator and Federal Communications Commission (FCC) tools available in the web-based application of the NANP Administration System (NAS). The tools available will depend on the **Subscription Choice(s)** selected in the user's profile.

1.2 Resources Subscription

The user must select at least one of the following **Subscription Choices**:

- **NANP Notification System (NNS)** – Allows the user to receive and search notifications from NANPA based on type of notification selected.
- **Thousands-Block/CO Code** – Allows the user to view and download forms and reports related to thousands blocks and central office code applications.
- **NRUF Reports** - Allows the user to view and download NRUF report data submitted by carriers for current and previous reporting cycles.
- **p-ANI** – Allows the user to view and download forms and reports related to p-ANI applications and provides a look up capability for individual p-ANI assignments.

1.3 Content Summary

This document will guide State Regulator and Federal Communications Commission (FCC) users through the following tasks:

- Thousands-Block/CO Code
    - o Forms & Documents
    - o Reports
- NRUF
    - o Reports
- p-ANI
    - o Forms & Documents
    - o p-ANI Look Up
    - o Reports
- Historic Thousands-Block/CO Code Forms & Reports
    - o NAS
    - o PAS

1.4 Conventions

This document presents the text that appears on NAS screens (e.g., toolbar items, field labels and button text) as well as internal and external document references. Toolbar items, field names and internal document references are shown in **bold black**, internal document references are hyperlinked, and external document references are *black italicized*.

1.5 User Access

The data available to a NAS user will depend on the **Subscription Choice(s)** selected and shall be restricted based on the user type selected.

State Regulator

An employee of a state commission who uses the system to view information on resources via reports and queries and responds to NANPA with direction concerning reclamation efforts. State Regulator users can view data for their **State** and the **NPAs** within their **State**.

Federal Communications Commission (FCC)
An employee of the FCC or an individual authorized by the FCC who uses the system to view information on resources via reports and queries and responds to NANPA with direction concerning reclamation efforts. FCC users can view data for all **States** and **NPAs**.

1.6   Preparations

NANP Administration System (NAS) Registration
A user is required to have an approved State Regulator or FCC registration (see the *State Regulator and FCC NANP Administration System (NAS) User Registration Guide*).

1.7   Two-Factor Authentication

The NANP Administration System (NAS) requires two-factor authentication for FISMA compliance, therefore, NAS users are required to establish two-factor authentication to access the NAS (see the *Two-Factor Authentication User Guide*).

1.8   Troubleshooting

Any questions or issues may be emailed to support@nanpa.com or call 866-623-2282.

2   Login and User Data

To log in to NAS the user must be a registered user, have a valid and active username and password, and have established two-factor authentication.

This section provides direction on logging in and updating a user profile.

- Section **2.1 NAS Log In**, how to login to the NAS GUI.
- Section **2.2 Multi-Factor Authentication**, how to enter two-factor authentication to access the NAS GUI.
- Section **2.3 Reset Your Password**, requesting a password reset in the NAS GUI
- Section **2.4 Update User Profile**, updating a user profile in the NAS GUI.

2.1   NAS Log In

From the NANPA home page (https://www.nanpa.com), select **Login** located in the upper right corner (see in Figure 2-1), then the **Log In to NAS** screen will be displayed (Figure 2-2).

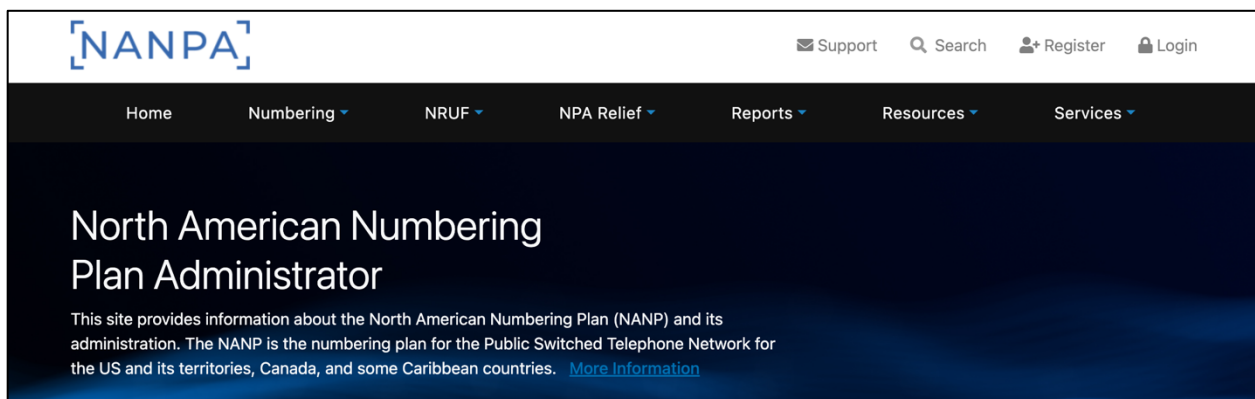

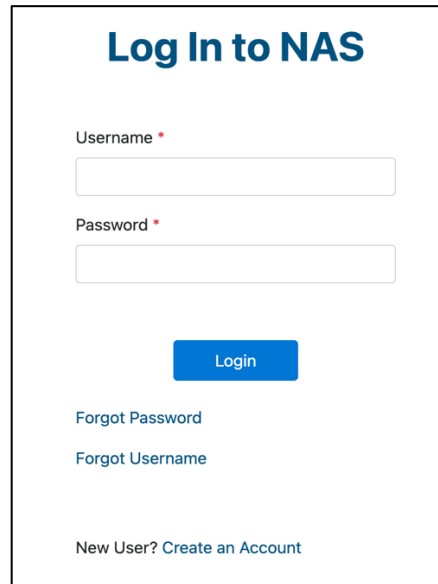

Figure 2-1

The NAS Log In screen (Figure 2-2) allows the user to enter their login credentials. All fields with a red asterisk (*) are required.

Figure 2-2

- **Username** * – The user must enter the NAS **Username** associated with their account.
- **Password** – The user must enter the NAS **Password** associated with the **Username**.
- **Login** – The user must select **Login**. NAS will provide the Multi-Factor Authentication screen (Section **2.2**).

2.2 Multi-Factor Authentication

On the **Multi-Factor Authentication** screen (Figure 2-3), the user must enter the Multi-Factor Authentication code associated with their NAS account. All fields with a red asterisk (*) are required.

Figure 2-3

- **Verification Code** – The user must enter the six-digit code provided by the authentication tool.
- **Verify** – The user must select **Verify**. Upon successful login, NAS will present the **Dashboard** (Figure 2-4).
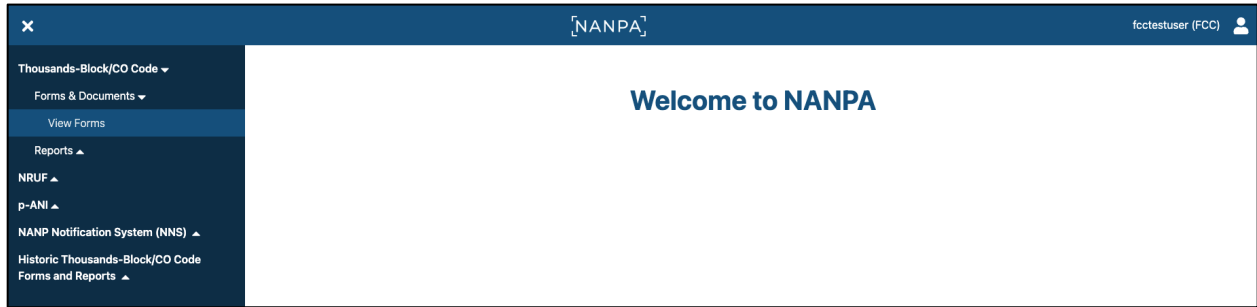

Figure 2-4

2.3   Reset Your Password

To reset your password, select the **Person icon** located in the upper right corner (Figure 2-5), then **Reset Password,** the **Change Password** screen will be displayed, enter the current password and new password, then **Change Password** (Figure 2-6).

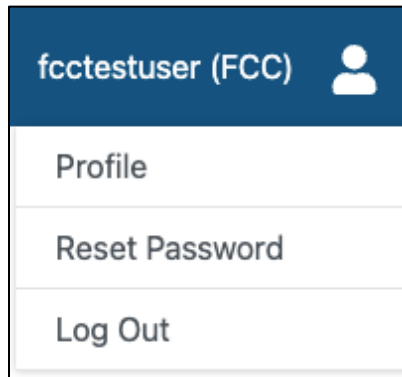

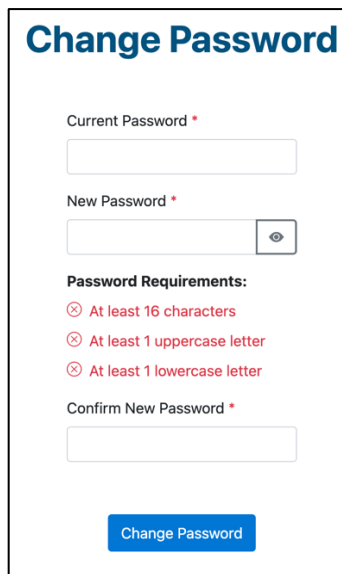

Figure 2-5

Figure 2-6

2.4   Update User Profile

To update your user profile, select the **Person icon** located in the upper right corner (Figure 2-5), then **Profile,** the **Profile** screen (Figure 2-7) will be displayed.

To edit any information, click the **Edit** link for the applicable section, this will vary based on the type of resource subscriptions you are subscribed to. Then select **Next** to return to the **Profile** screen. After making the required changes, then select **Update Profile** to submit those changes, NAS will display the **Confirmation** screen (Figure 2-8).

Note: Any changes to the following information: First Name, Last Name, Email, Agency/Company Name, Authorizer's Name, Authorizer's Agency/Company Name, in conjunction with any other updates will require approval by the NANPA Customer Support prior to taking effect. For all other changes that do not require an approval, please log out and log back in to see those changes.

3 Thousands-Block/CO Code

This section provides direction on the **Thousands-Block/CO Code** functions (Figure 3-2) for CO Code and thousands-block resources which includes:

- Section **3.1 Forms & Documents**, which allows users to view forms associated with CO Code and thousands-block applications submitted in NAS.
- Section **3.2 Reports**, which allows users to attach documents to CO Code and thousands-block applications submitted in NAS.

From the toolbar select **Thousands-Block/CO Code** (Figure 3-1), NAS will display the **Thousands-Block/CO Code** toolbar (Figure 3-2).
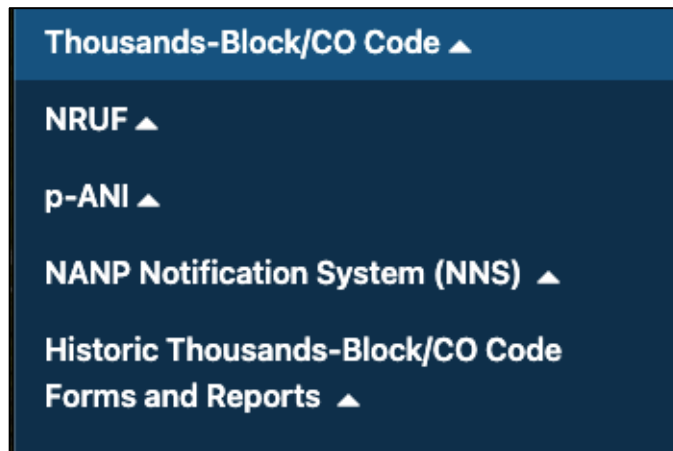

Figure 3-1
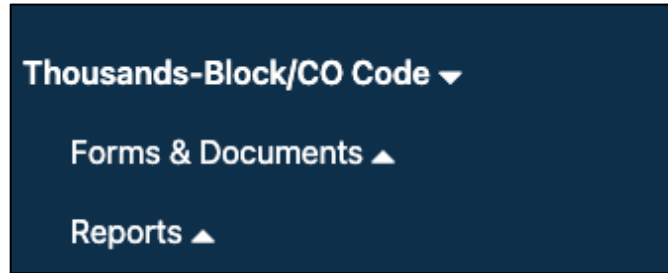

Figure 3-2

3.1   Forms & Documents

This section provides direction on the **Forms & Documents** functions (Figure 3-2) for CO Code and thousands-block resources which includes:

- Section **3.1.1 View Forms**, which allows users to view forms associated with CO Code and thousands-block applications submitted in NAS.

3.1.1   View Forms

View Forms allows a user to search for and view CO Code and thousands-block forms in NAS.

State Regulator users with the **Subscription Choice** of **Thousands-Block/CO Code Resources** may view all submitted forms for the **State** and all **NPAs** associated with the **State** in their user profile.

FCC Users with the **Subscription Choice** of **Thousands-Block/CO Code Resources** may view all submitted forms for all **States** and **NPAs**.

From the **Thousands-Block/CO Code** toolbar (Figure 3-2), select **Forms & Documents**, then select **View Forms** (Figure 3-3), NAS will display the **Forms Search** screen (Figure 3-4).
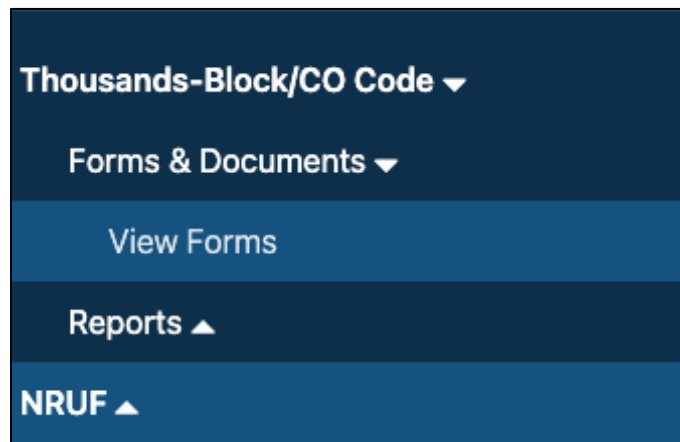

Figure 3-3

Figure 3-4

From the **Forms Search** screen (Figure 3-4), the user may search by a specific tracking number, CO Code or thousands block or by state, NPA, rate center, OCN and date range.

To search by a specific tracking number, CO Code or thousands block, select from one of the options provided in the **Selection** drop-down list under **Search**:
- **Tracking Number**
- **CO Code (NPA-NXX)**
- **Thousands-Block (NPA-NXX-X)**

To search by state, NPA, rate center, OCN, form type and date range, select the options provided under **Advanced Search**.

After making the selections under **Search** or **Advanced Search**, select **Search** to continue, NAS will display the search results at the bottom of the **Forms Search** screen (Figure 3-5).

When no applications meet the search criteria, NAS will display the message "**There are no records to display**" at the bottom of the **Forms Search** screen.

To view a form, select the eye icon at the end of the form's row. The forms will open in a new tab.

- Section **5.1.1 View Forms**, which allows users to view forms associated with p-ANI applications submitted in NAS.

5.1.1   View Forms

View Forms allows a user to search for and view p-ANI forms in NAS.

State Regulator users with the **Subscription Choice** of **p-ANI Resources** may view all submitted forms for the **State** and all **NPAs** associated with the **State** in their user profile.

FCC Users with the **Subscription Choice** of **p-ANI Resources** may view all submitted forms for all **States**, **NPAs** and **OCNs**.

From the **p-ANI** toolbar (Figure 5-2), select **Forms & Documents**, then select **View Forms** (Figure 5-3), NAS will display the **Forms Search** screen (Figure 3-4).

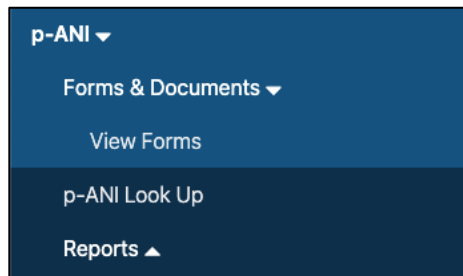

Figure 5-3

Figure 5-4

From the **Forms Search** screen (Figure 5-4), the user may search by a specific tracking number, a p-ANI within a p-ANI range or by state, NPA, NENA Company ID, Service Provider OCN, Form Type, and date range.

To search by a specific tracking number or p-ANI within a p-ANI range, select from one of the options provided in the **Selection** drop-down list under **Search**:

- **Tracking Number**
- **p-ANI Within Range (NPA-NXX-XXXX)**

To search by state, NPA, NENA Company ID, Service Provider OCN, Form Type, and date range, select the **Advanced Search** option provided in the **Selection** drop-down list.

After making the selections under **Search** or **Advanced Search**, select **Search** to continue, NAS will display the search results at the bottom of the **Forms Search** screen (Figure 5-5).

When no applications meet the search criteria, NAS will display the message "**There are no records to display**" at the bottom of the **Forms Search** screen.

To view a form, select the eye icon at the end of the form's row. The forms will open in a new tab.
