1 Introduction

1.1 Purpose

This document outlines the Service Provider and Service Provider Consultant process for registering for the NANP Administration System (NAS); including user type descriptions for Service Provider and Service Provider Consultant to assist with the selection of the appropriate user type and step-by-step registration instructions for each user type.

1.2 NANP Administration System (NAS) Overview

The NANP Administration System (NAS) supports the administration of Central Office (CO) Codes, Thousands-Blocks, 5XX-NXX, 9YY-NXX, Carrier Identification Codes (CICs), and pseudo-Automatic Numbering Identification (p-ANIs). In addition, NAS supports the North American Number Plan Numbering Resource Utilization and Forecast (NRUF), Thousands-Block Forecast, p-ANI Forecast reporting, Annual Reporting for p-ANI and Carrier Identification Codes (CIC), and the NANP Notification System (NNS).

The data available to a NAS user is restricted based on the user type selected and the subscription choices selected. To identify the appropriate user type, proceed to **Section 1.3 User Type Descriptions**.

1.3 User Type Descriptions

1.3.1 Service Provider (SP)

A Service Provider (SP) user is a representative of an entity authorized to request and hold assignments of North American Numbering Plan (NANP) resources.

SP users must have an Operating Company Number (OCN) associated with National Exchange Carrier Association (NECA) Company Code Category Type that has been determined to be appropriate for the direct assignment of Numbering Resources. The OCN must be in the NAS in order to add it to a registration, see **Section 1.6.1 Operating Company Number (OCN)**.

SP users will be able to submit applications and view reports and forms for the resources associated with the **Resource Subscription** option(s) selected.

SP users will only be provided fields associated with the **Resource Subscription** option(s) selected and shall only be able to submit and view data for the States, NPAs, OCNs, National Emergency Number Association (NENA) IDs and Interexchange Access Customer [IACs aka Access Customer Name Abbreviation (ACNA)] in their user profile.

To register as a Service Provider (SP) user see **Section 2 Service Provider Registration**.

1.3.2 Service Provider Consultant (SPC)

A Service Provider Consultant (SPC) user is a representative of an entity authorized to request assignments of North American Numbering Plan (NANP) resources for a Service Provider (SP) under contract with them.

SPC users may only register on behalf of Service Providers for which they have a contract to provide number administration services and are required to submit a Letter of Authorization (LOA) from the SP client, see **Section 1.6.2 Letter of Authorization (LOA)**.

SPC users must have an LOA on file for the Operating Company Number (OCN)s for which they are registering. The Operating Company Number (OCN)s must be associated with a National Exchange Carrier Association (NECA) Company Code Category Type that has been determined to be

appropriate for the direct assignment of Numbering Resources. The OCN must be in the NAS OCN Table in order to add it to a registration, see Section **1.6.1 Operating Company Number (OCN)**.

SPC users will be able to submit applications and view reports and forms for the resources associated with the **Resource Subscription** option(s) selected.

SPC users will only be provided fields associated with the **Resource Subscription** option(s) selected and shall only be able to submit and view data for the States, NPAs, OCNs, NENA IDs and Interexchange Access Customer [IACs aka Access Customer Name Abbreviation (ACNA)] in their user profile.

To register as a Service Provider Consultant (SPC) user see Section **3 Service Provider Consultant (SPC) Registration**.

1.4 Content Summary

This document will guide Service Provider (SP) and Service Provider Consultant (SPC) users through the following tasks related to NAS registration:

- Role
- User Information
- Address
- Authorizer
- Company Identifier & Service Area
- Resource Subscription (i.e., Thousands-Block/CO Code Resources, Other Resources, NNS Notifications)
- Review & Submit

1.5 Conventions

This document presents the text that appears on NAS screens (e.g., toolbar items, field labels and buttons) as well as internal and external document references. Toolbar items, field names, buttons and internal document references are shown in **bold black**, internal document references are hyperlinked, and external document references are *black italicized*.

1.6 Preparations

1.6.1 Operating Company Number (OCN)

The Operating Company Number (OCN) must be in the NAS to add it to a user profile and must be associated with a National Exchange Carrier Association (NECA) Company Code Category Type that has been determined to be appropriate for the direct assignment of Numbering Resources. The following are the permitted Company Code Category Types for Numbering Resources as outlined in the Alliance for Telecommunications Industry Solutions (ATIS) Industry Numbering Committee (INC) Thousands-Block (NPA-NXX-X) and Central Office Code (NPA-NXX) Administration Guidelines:

- | | |
|--------------------------------------|---------------------------------|
| • Incumbent Local Exchange Carrier | ILEC |
| • Regional Bell Operating Company | RBOC |
| • Competitive Local Exchange Carrier | CLEC |
| • Personal Communications Service | PCS |
| • Unbundled Local Exchange Carrier | ULEC |
| • Wireless Carriers | WIRE |
| • Internet Provider Enabled Services | IPES (only Interconnected VoIP) |

An OCN missing from the NAS OCN Table will result in an error message.

To add an OCN to the NAS, email support@nanpa.com. The email shall include:

- a request to add the OCN to NAS,
- the Company OCN letter from NECA for the specific OCN being added when the OCN is not in the Business Integrated Routing and Rating Database (BIRRDs),
- supporting documentation showing the relationship/affiliation between companies if the OCN name on the NECA letter and/or Certification is different from the company name listed on the registration.

1.6.2 Letter of Authorization (LOA)

SPC users are required to submit a Letter of Authorization (LOA) from the SP client when registering. The LOA shall:

- be on the SP client's company letterhead,
- provide the date the letter is signed,
- list the authorized consultant's name (or consultant company name)
- specify that the consultant is authorized to access NAS on the SP's behalf
- identify all Operating Company Numbers (OCNs), Parent Operating Company Numbers (OCNs), National Emergency Number Association (NENA)IDs, and Interexchange Access Customers [IACs aka Access Customer Name Abbreviation (ACNA)] under the ownership of the SP client that the SPC user has authorization to add to their user profile and submit and view data for in NAS, and
- be signed by an authorized representative (e.g., officer of the company) of the SP client.

When an LOA is not on file for the SP client, the registration shall be rejected. When one or more Operating Company Numbers (OCNs), National Emergency Number Association (NENA)IDs, and Interexchange Access Customers [IACs aka Access Customer Name Abbreviation (ACNA)] under the ownership of the SP client is missing from the LOA, the item missing shall be removed from the SPC user's registration.

1.7 Troubleshooting

Any questions or issues may be emailed to support@nanpa.com or call 866-623-2282.

2 Service Provider Registration

2.1 Accessing Registration Link

2.1.1 From NANPA website

From <https://www.nanpa.com> select LOGIN,

2.1.2 From NAS Login Page

At the bottom of the NAS Login Page select **Create an Account** (Figure 2-1) after **New User?**

Figure 2-1

Once Create an Account is selected, Section **2.2 Role** will be presented.

2.2 Role

All **Role** fields with a red asterisk (*) are required (Figure 2-2).

Select Your Role by choosing **Service Provider** from the drop-down menu (Figure 2-3).

Once the role of **Service Provider** is selected, a list of **Resource Subscription** options will be provided under **Select Your Resource Subscriptions**. At least one of the following **Resource Subscription** options must be selected using the checkbox (Figure 2-4):

- **Thousands-Block/CO Code Resources** – Submit applications for and view data associated with CO Codes and Thousands-Block resources.
- **NRUF** – Submit NRUF Form 502 and view NRUF reports.
- **Other Resources** – Submit applications for and view data associated with non-geographic resources (e.g., Carrier Identification Codes (CIC), 5XX-NXX, and 9YY-NXX).
- **NANP Notification System (NNS)** – Receive notifications from NANPA related to NANP numbering (i.e., Relief Planning, INC Guideline Changes, NAS system maintenance, etc.).
- **p-ANI Resources** – Submit applications for and view data associated with p-ANI resources.

NOTE: To access the functions associated with a specific **Resource Subscription**, the checkbox must be selected for that **Resource Subscription**.

The screenshot shows the NANPA NAS Registration page. The header is dark blue with the NANPA logo. The main title is "NAS Registration". On the left, there is a sidebar with a "Role" section and a "Review & Submit" link. The main content area is titled "Role" and contains a "Select Your Role *" dropdown menu. The dropdown menu is currently showing "Role" and has a red arrow pointing to it. Below the dropdown, there is a "Select Your Resource Subscriptions *" section with a note: "You must select a role to view the resource subscription options available for that role". At the bottom, there is a blue "Next" button.

Figure 2-2

This is a close-up of the "Role" dropdown menu. The menu is open, showing a list of roles. The first option, "Service Provider (SP)", is highlighted with a blue bar and a checkmark. The other options are: "Service Provider Consultant (SPC)", "FCC", "State Regulator", "Other", "9-1-1 Governing Authority", "E9-1-1 System Service Provider", and "Public Safety Answering Point (PSAP)".

Figure 2-3

The screenshot shows the NANPA NAS Registration page. The header is dark blue with the NANPA logo. The main title is "NAS Registration". On the left, there is a sidebar with a "Role" section and a "Review & Submit" link. The main content area is titled "Role" and contains a "Select Your Role *" dropdown menu. The dropdown menu is currently showing "Service Provider (SP)" with a green checkmark and a dropdown arrow. Below the dropdown, there is a description: "A registered NAS user who is a representative of an entity authorized to request and hold assignments of NANP numbering resources (e.g., ILEC, CLEC, LEC, Wireless Carrier, Interconnected VoIP Providers).". Below this, there is a "Select Your Resource Subscriptions *" section with a list of checkboxes: "Thousands-Block/CO Code Resources", "NRUF", "Other Resources", "NANP Notification System (NNS)", and "p-ANI Resources". A red arrow points to the "Thousands-Block/CO Code Resources" checkbox. At the bottom, there is a blue "Next" button.

NNS Notifications is only provided when the **Resource Subscription** of **NANP Notification System (NNS)** is selected. **NNS Notifications** allows the applicant to select specific geographic and non-geographic notifications they would like to receive (Figure 2-16).

To receive **Geographic Notifications**, select any of the following checkboxes:

- **CO Code/Thousands-Block** – When selected the users shall receive notifications regarding new processes and changes that affect specific states and/or NPAs.
- **Jeopardy** – When selected the users shall receive notifications regarding NPAs going into and out of Jeopardy, Jeopardy status update, regulatory directives regarding jeopardy procedures.
- **Other Geographic Notifications** – When selected the users shall receive notifications regarding press releases, regulatory directives and data related to the status of resources associated with state conservation deliberations.
- **NPA Relief Planning** – When selected the users shall receive notifications regarding the development of NPA relief plans. These notifications are available only to the specific industry members involved in the development of area code relief plans.

When a **Geographic Notification** is selected, the **Service Areas for Geographic Notifications** fields will be provided.

To receive notifications for all **States/Territories** and **NPAs** use the **Select All** checkbox (see the red arrow in Figure 2-17).

Otherwise, select the **State/Territory(s)** and **NPA(s)** for which notifications are being requested using the checkboxes under **State/Territory** and **NPAs**.

NOTE: To access a specific State/Territory and NPA, the checkbox for that specific **State/Territory** and **NPA** must be selected.

To receive **Non-Geographic Notifications**, select any of the following checkboxes:

- **INC (Industry Numbering Committee) Guideline Changes** – When selected the users shall receive notifications regarding INC Guideline changes.
- **NRUF Reporting Changes** – When selected the users shall receive notifications regarding NRUF reporting changes.
- **NANPA Planning Letters** – When selected the users shall receive notifications regarding NANPA Planning Letters.
- **Other Non-Geographic Notifications** – When selected the users shall receive notifications regarding NANPA process changes, system maintenance, client education and personnel changes.
- **Other Resources** – When selected the users shall receive notifications regarding CO codes from the non-geographic 5XX NPAs and 900 NPA and Carrier Identification Codes (CICs).
- **p-ANI** – When selected the users shall receive notifications regarding p-ANI.

NOTE: To receive a specific type of notification, the checkbox must be selected for the geographic or non-geographic notification type.

The screenshot shows the 'NANPA' registration interface. At the top is a dark blue header with '[NANPA]' in white. Below it is a white header area with 'NAS Registration' in black. The main content area is divided into two columns. The left column contains a vertical list of steps: 'Role', 'User Information', 'Address', 'Authorizer', 'Company Identifier & Service Area', 'Thousands-Block/CO Code Contacts', 'NNS Notifications' (which is highlighted with a blue circle and a plus icon), 'p-ANI', and 'Review & Submit'. The right column is titled 'NNS Notifications' and contains two sections. The first section is 'Geographic Notifications (relates to specific states and NPAs)' and includes four checkboxes: 'CO Code/Thousands-Block', 'Jeopardy', 'Other Geographic Notifications', and 'NPA Relief Planning'. The second section is 'Non-Geographic Notifications (relates to the entire NANP)' and includes five checkboxes: 'INC (Industry Numbering Committee) Guideline Changes', 'NRUF Reporting Changes', 'NANPA Planning Letters', 'Other Non-Geographic Notifications', 'Other Resources', and 'p-ANI'. At the bottom right of the form is a blue button labeled 'Next'.

North American Numbering Plan Administrator (NANPA) User Agreement

General Terms: This User Agreement ("Agreement") governs the use of the NANP Administration System ("NAS" or the "NANPA System") and website (the "Site"), each provided by SomosGov, Inc. ("SomosGov" or the "NANPA"). Please read this Agreement carefully. If you cannot agree to the terms of this Agreement, you will be denied access to the NANPA System.

The NANPA reserves the right to amend the provision of this Agreement and to post additional rules of usage that apply to the NANPA System or specific parts of the Site. The date of the most recent revisions will appear on this page. Any such amendments or additional rules will be posted and will be clearly identified. Your continued use of the NANPA System or Site thereafter will constitute your agreement to comply with such amendments and additional rules.

Any person accessing the NANPA System or Site accepts, without limitation or qualification, the terms and conditions of use set forth below and any additional terms and conditions of use set forth in links on this website that connect to other websites.

Your failure to follow these rules may result in suspension or termination of your access to the NANPA System or Site, without notice. You may not sub-license, transfer, sell or assign this Agreement to any third party. Any attempt to do so will void this agreement and your right to access the NANPA System or the Site.

Use of Username and Password: Your right to use the NANPA System is personal to you. As such, you may not authorize others to use your Username or Password to access the NANPA System.

You are responsible for all use of the NANPA System with your Username and Password. You may not sub-license, transfer, sell, or assign them to any third party. Any attempt to do so will constitute a material breach of this Agreement and subject you to legal action hereunder. Your right to use the NANPA System or the Site will be immediately voided.

You will be solely responsible for maintaining the confidentiality of your Username and Password. You are solely responsible for all usage or activity on your account including use of the account by any person who uses your Username and Password.

If you have reason to believe that your account is no longer secure (for example, in the event of a loss, theft, or unauthorized disclosure or use of your username or password), you must promptly change your password and notify NANPA Customer Support of the problem by contacting us at 866-623-2282 or by email at support@nanpa.com.

Use of the Website by You: You agree not to disrupt, modify or interfere with the Site, or its associated software, hardware, and/or servers in any way, and you agree not to impede or interfere with others' use of the Site. You further agree not to alter or tamper with any information or materials on or associated with the Site that are not confidential and proprietary to you.

Other than connecting to the NANPA's servers by https requests using a Web browser, you may not attempt to gain access to the NANPA's servers by any means - including, without limitation, by using administrator passwords or by masquerading as an administrator while using the Site or otherwise.

You acknowledge that the NANPA has not reviewed and does not endorse the content of all sites linked to from the Site and is not responsible for the content or actions of any other sites linked to from the Site. You're linking to any service or site is at your sole risk.

Indemnification and Assumption of Risk: You agree to indemnify the NANPA and its affiliates, employees, agents and representatives, and to hold them harmless, from any and all claims and liabilities (including attorneys' fees) which may arise from your unauthorized use of the Site, or from your breach of this Agreement, or from any acts through your use of the Site.

Copyright: All images, text, programs, and other materials found in the Site are protected by the United States copyright laws. Any commercial use of the images, text, programs or other materials found in the Site is strictly prohibited without the express written consent of the NANPA.

- **2.10 Review & Submit** when no other **Resource Subscriptions** were selected.

3.9 p-ANI

All **p-ANI** fields with a red asterisk (*) are required (Figure 3-13).

P-ANI is only provided when the **Resource Subscription** of **p-ANI Resources** is selected. **P-ANI** allows the applicant to add data and contacts specific to p-ANI resources.

- **NENA ID(s)*** – Enter the **NENA ID(s)** associated with the company. Multiple NENA IDs must be separated by a comma and a maximum of 150 NENA IDs are allowed.
NOTE: NENA ID(s) with a different **Company Name** than that provided in the LOA will be rejected unless documentation is on file supporting ownership or control of the NENA ID.
NOTE: NENA ID(s) not associated with an LOA on file for a client company will be rejected unless documentation is on file to support the addition of the NENA ID.
NOTE: NENA ID(s) not associated with the company will be rejected.
- **Company FRN** – Enter the **FCC Registration Number (FRN)** associated with the company.
NOTE: Company FRN(s) not associated with the company will be rejected.

Additional Contacts p-ANI Administration allows the applicant to add additional contacts for specific p-ANI activities or functions by clicking on the **+Add** button. All **Additional Contacts p-ANI Administration** fields with a red asterisk (*) are required (Figure 3-14). A maximum of three **Additional Contacts p-ANI Administration** may be added.

- **Email*** – Enter the email address.
- **Subscriptions*** – The checkbox for at least one **Subscription** must be selected. The **Subscription** options are:
 - **Part 3** – When selected, the **Additional Contacts p-ANI Administration** shall receive all Part 3 emails.
 - **Semi-Annual Forecast Reminders** – When selected, the **Additional Contacts p-ANI Administration** shall receive Semi-Annual Forecast reminder emails.
 - **Annual Report Reminder** – When selected, the **Additional Contacts p-ANI Administration** shall receive Annual Report reminder emails.
- **+Add** – Use the **+Add** button to add the second **Additional Contacts** contact. This button is only provided on the first two contacts being added.

NOTE: To remove a contact after selecting the **Add+** button, select the **Remove** button.

[NANPA]

North American Numbering Plan Administrator (NANPA) User Agreement

General Terms: This User Agreement ("Agreement") governs the use of the NANP Administration System ("NAS" or the "NANPA System") and website (the "Site"), each provided by SonnetGen, Inc. ("SonnetGen" or the "NANPA"). Please read this Agreement carefully. If you cannot agree to the terms of this Agreement, you will be denied access to the NANPA System.

The NANPA reserves the right to amend the provision of this Agreement and to post additional rules of usage that apply to the NANPA System or specific parts of the Site. The date of the most recent revisions will appear on this page. Any such amendments or additional rules will be posted and will be clearly identified. Your continued use of the NANPA System or Site thereafter will constitute your agreement to comply with such amendments and additional rules.

Any person accessing the NANPA System or Site accepts, without limitation or qualification, the terms and conditions of use set forth below and any additional terms and conditions of use set forth in links on this website that connect to other websites.

Your failure to follow these rules may result in suspension or termination of your access to the NANPA System or Site, without notice. You may not sub-license, transfer, sell or assign this Agreement to any third party. Any attempt to do so will void this agreement and your right to access the NANPA System or the Site.

Use of Username and Password: Your right to use the NANPA System is personal to you. As such, you may not authorize others to use your Username or Password to access the NANPA System.

You are responsible for all use of the NANPA System with your Username and Password. You may not sub-license, transfer, sell, or assign them to any third party. Any attempt to do so will constitute a material breach of this Agreement and subject you to legal action hereunder. Your right to use the NANPA System or this Site will be immediately voided.

You will be solely responsible for maintaining the confidentiality of your Username and Password. You are solely responsible for all usage or activity on your account including use of the account by any person who uses your Username and Password.

If you have reason to believe that your account is no longer secure (for example, in the event of a loss, theft, or unauthorized disclosure or use of your username or password), you must promptly change your password and notify NANPA Customer Support of the problem by contacting us at 866-623-2292 or by email at support@nanpa.com.

The Site contains copyrighted and other proprietary information. You may not in any way make commercial or other unauthorized use, by publication, re-transmission, distribution, performance, caching or otherwise, of material obtained through the Site, except as permitted by the Copyright Act or other law, or as expressly permitted in writing by this Agreement, by the FCC, by the NANPA, by the INC Guidelines, or in any applicable User Manual.

Use of the Website by You: You agree not to disrupt, modify or interfere with the Site, or its associated software, hardware, and/or servers in any way, and you agree not to impede or interfere with others' use of the Site. You further agree not to alter or tamper with any information or materials on or associated with the Site that are not confidential and proprietary to you.

Other than connecting to the NANPA's servers by https requests using a Web browser, you may not attempt to gain access to the NANPA's servers by any means - including, without limitation, by using administrator passwords or by masquerading as an administrator while using the Site or otherwise.

You acknowledge that the NANPA has not reviewed and does not endorse the content of all sites linked to/from the Site and is not responsible for the content or actions of any other sites linked to/from the Site. You're linking to any service or site is at your sole risk.

Indemnification and Assumption of Risk: You agree to indemnify the NANPA and its affiliates, employees, agents and representatives, and to hold them harmless, from any and all claims and liabilities (including attorneys' fees) which may arise from your unauthorized use of the Site, or from your breach of this Agreement, or from any such acts through your use of the Site.

Copyright. All images, text, programs, and other materials found in the Site are protected by the United States copyright laws. Any commercial use of the images, text, programs or other materials found in the Site is strictly prohibited without the express written consent of the NANPA.

Trademarks. The names, logos, and taglines identifying SonnetGen's products and services are proprietary marks of SonnetGen. All other trademarks and service marks are the property of their respective owners.
