

NAS Maintenance Scheduled for November 12, 2026

This notice is to notify users of an upcoming maintenance event on the NANP Administration System (NAS), taking place Thursday, November 12, from 9:00 PM ET to 11:00 PM ET. NANPA received approval for two hours of scheduled downtime from the FCC to perform this maintenance.

During this maintenance window, NAS will be unavailable, this also includes the Application Programming Interface (API) and Secure File Transfer Protocol (SFTP) interfaces.
