NANPA Website Maintenance Scheduled for December 10, 2026

This notice is to inform users of an upcoming maintenance event on the NANPA website (www.nanpa.com), taking place on Thursday, December 10, from 9:00 PM ET to 11:00 PM ET. NANPA received approval for two hours of scheduled downtime from the FCC to perform this maintenance.

During this maintenance window, the NANPA website will be unavailable, however the NANP Administration System (NAS) will be available, to access NAS directly, go to https://secure.nanpa.com/.
