Subject: Declaration of Jeopardy Situation in NPA 717 (Pennsylvania)

We have been advised by Bell Atlantic, central office code administrator for the 717 Numbering Plan Area (NPA), that demand and forecasted requirements for NXX codes in the 717 NPA in the eastern portion of Pennsylvania has increased significantly. As a result, the 717 NPA is in jeopardy of exhausting prior to when relief can be provided. According to the *Central Office Code (NXX) Assignment Guidelines*, "A jeopardy condition exists when the forecasted and/or actual demand for NXX resources will exceed the known supply during the planning/implementation interval for relief."

Until relief can be provided, the special conservation measures outlined in Section 8.4 and other appropriate sections of the *Central Office Code (NXX) Assignment Guidelines* will be invoked for the 717 NPA (refer to document INC 95-0407-008, revision 9/96).

Questions concerning the relief of the 717 NPA may be directed to D. Wayne Milby, Bell Atlantic, at 410-736-6270.

Questions concerning the contents of this letter may be referred to Jim Deak, Bellcore, at 908-699-6612.
