Subject: Revised Mandatory Dialing Date for NPA 704 (North Carolina)

In Docket No. P-100, Sub 137a, the North Carolina Utilities Commission (NCUC) approved an all-services overlay of the 704 NPA that serves Charlotte, North Carolina and the surrounding Piedmont area. NANPA has assigned NPA code 980 for this purpose. On January 5, 2001 the NCUC issued an order requiring a change in the start of mandatory 10-digit dialing from January 10, 2001 to January 24, 2001. On January 17, 2001 the NCUC issued another order further delaying the start of mandatory 10-digit dialing to March 15, 2001.

In a subsequent clarifying order, the NCUC set the date for activation of NXX Codes in the new 980 NPA or for the formerly protected NXX Codes in the 704 NPA at April 1, 2001.
