Subject: New York 716 NPA Split – Wireless Extended Permissive Dialing Ends
Related Previous Planning Letters: 270 and 278

General Description

On May 22, 2000, the New York Public Service Commission approved a geographic split of the 716 NPA along county boundary lines (Case No. 99-C-0800, Opinion No. 00-06). NANPA assigned NPA code 585 for this purpose. The order also provided for an extended three-year permissive dialing period for wireless carriers in the new 585 area code.

Implementation of Relief Plan

This Planning Letter is being issued as a reminder that the extended permissive dialing period for wireless NXX codes in the new 585 area code ends on November 15, 2004.

General Information

The information in this planning letter reflects detailed information about NPA relief activities. The information has been derived from commission orders and from industry implementation decisions. The implementation of the plan described in this letter is the responsibility of individual service providers, and NANPA does not guarantee that the activities and plans will occur exactly as described herein.

Contact Information

General questions regarding the relief of the NPA 716 should be directed to Wayne Milby, Senior NPA Relief Planner - NANPA, on 804-795-5919. Questions of a technical nature should be directed to the NPA coordinator of the appropriate service provider.
