

Number: PL- 358
 Date: December 21, 2006
 Subject: 505 NPA; 2-way Split, Creating 575 NPA – New Mexico
 Related Previous Planning Letters: PL-292, PL-312, PL-328

General Description

On November 9, 2006, the New Mexico Public Regulation Commission (PRC) in Case 06-00141-UT ordered a 2-way geographic split as the relief method for the 505 NPA, which serves the entire State of New Mexico. A copy of the PRC order and other related Commission information can be obtained at: <http://www.nmprc.state.nm.us/> . This planning letter replaces all previous planning letters.

As ordered by the Commission, the northwestern region of the existing 505 NPA will retain the 505 designation after the split. Some of the areas that will continue to be served by the NPA 505 include such communities as Albuquerque, Bernalillo, Farmington, Gallup, Grants, Las Vegas, Los Alamos, Rio Rancho and Santa Fe. These communities will retain the 505 NPA.

The new 575 NPA will serve the remaining portion of the existing 505 NPA. Some of the areas to be served by the new 575 NPA will consist of such communities as Alamogordo, Carlsbad, Clovis, Deming, El Rito, Gallina, Hatch, Hobbs, Las Cruces, Penasco, Raton, Ruidoso, Silver City, Socorro, and Taos. These communities will change to the 575 NPA.

Implementation of Relief Plan

Implementation of the split of the 505 NPA is as follows:

	Time	Date
Start of permissive dialing and latest date for all carriers to activate new NPA code	12:01 AM Mountain	October 7, 2007
End of permissive dialing and start of mandatory dialing of the new NPA	12:01 AM Mountain	October 5, 2008
Earliest date for the end of recorded announcement	-	January 11, 2009
First date codes from the new NPA may be ordered through NANPA	-	July 11, 2008

During the permissive dialing period, either the 505 or the new 575 NPA code will be acceptable in a dialed number terminating in the new 575 NPA. After the permissive period ends, all calls dialed with the incorrect NPA code will be routed to intercept recording through January 11, 2009.

Central Office Code Listings and NPA Map

Attached is a listing of rate centers for each NPA and listings of the central office codes, rate centers, and Common Language Location Identifiers (CLLI) that will remain in the 505 NPA and those that will move to the new 575 NPA sorted by NXX and by rate center. This information is current as of December 5, 2006. Since NXX information may change over time, please consult the NANPA website at www.nanpa.com, the Local Exchange Routing Guide (LERG) or the NXX Activity Guide (NNAG) for updated information. Information in the LERG and NNAG is available by license contract from Telcordia Routing Administration (TRA), at 732-699-6700. The attached map identifies the NPA boundaries after the 2-way split.

Dialing Plan

At the beginning of mandatory dialing on October 5, 2008, the dialing plan for the 505 and 575 NPAs will be as follows:

Type of call	Call terminating to	Dialing plan
Local call	Home NPA (HNPA)	7-digits (NXX-XXXX)
	Foreign NPA (FNPA)	10-digits (NPA-NXX-XXXX)
Toll Call	HNPA & FNPA	1+10-digits (1+NPA-NXX-XXXX)
Operator Services Credit card, collect, third party	HNPA or FNPA	0 + 10-digits (0 + NPA-NXX-XXXX)

Network Testing

All international and domestic carriers should ensure that the new 575 NPA has been activated throughout their networks prior to October 7, 2007. The test numbers to verify the routing to the new NPA will be in service beginning September 8, 2007, through November 8, 2008. The test numbers to verify the routing to the 575 NPA are: 575-600-1234, 575-580-0575 and 575-295-0000. A recorded announcement will indicate that the test call has been successfully completed.

General Information

The information in this planning letter reflects detailed information about NPA relief activities. The information has been derived from commission orders and from industry implementation decisions. The implementation of the plan described in this letter is the responsibility of individual service providers, and NANPA does not guarantee that the activities and plans will occur exactly as described herein.

Contact Information

General questions regarding the relief of the NPA 505 should be directed to Joe Cocke, Senior NPA Relief Planner - NANPA, on 805-520-1945. Questions of a technical nature should be directed to the NPA coordinator of the appropriate service provider. Attached is a list of company and contact information that is provided to assist in the implementation of the relief

plan described herein. Because this information is subject to change, NANPA cannot guarantee the completeness or the accuracy of the attached list.
