### **General Description**

On March 21, 2007 the Louisiana Public Service Commission (LPSC) in Special Order No. 10-2007 approved a Rate Center Consolidation (RCC) Plan for the 504/985 NPAs as follows: The Delacroix, Lake Catherine, St. Bernard and Yscloskey rate centers in the 504 area code will be transitioned to the New Orleans rate center. The Buras, Pointe-a-la-Hache and Port Sulphur rate centers in the 985 area code will also be consolidated into the New Orleans rate center as part of a NPA Boundary Realignment. The Venice rate center in the 985 area code will remain an independent rate center but will be moved to the 504 area code as part of the Boundary Realignment. A copy of the Louisiana Special Order and other related Commission information can be obtained at [www.lpsc.org](http://www.lpsc.org).
