**Related Previous Planning Letters:** None

---

**General Description**

On May 31, 2007, the Kentucky Public Service Commission (KY PSC) in Case No. 2006-00357 ordered a 2-way geographic split as the relief method for the 270 NPA, which serves the western portion of the State of Kentucky. On June 15, 2007, the KY PSC issued an order delaying the start of permissive dialing from April 1, 2008 to July 1, 2008. The PSC deferred setting a date certain for mandatory dialing. On July 18, 2007 the KY PSC issued an order to implement mandatory thousands-block number pooling by November 30, 2007 in the 270 NPA. A copy of the KY PSC orders and other related Commission information can be obtained at: <http://www.psc.ky.gov/> .

As ordered by the Commission, the eastern portion of the existing 270 NPA will retain the 270 designation after the split. Some of the areas that will continue to be served by the NPA 270 include the cities of Bowling Green, Columbia, Glasgow, Elizabethtown and Owensboro. These communities will retain the 270 NPA.

The new 364 NPA will serve the remaining portion of the existing 270 NPA. Some of the cities served by the new 364 NPA are Henderson, Hopkinsville, Madisonville, Murray and Paducah. These communities will change to the 364 NPA.

**Implementation of Relief Plan**

Implementation of the split of the 270 NPA is as follows:

	<b>Time</b>	<b>Date</b>
Start of permissive dialing and latest date for all carriers to activate new NPA code	12:01 AM	July 1, 2008
End of permissive dialing and start of mandatory dialing of the new NPA	-	TBD
Earliest date for the end of recorded announcement	-	TBD
First date codes from the new NPA may be ordered through NANPA	-	TBD

During the permissive dialing period, either the 270 or the new 364 NPA code will be acceptable in a dialed number terminating in the new 364 NPA. After the permissive period

ends, all calls dialed with the incorrect NPA code will be routed to intercept recording through DATE TO BE DETERMINED.

### **Central Office Code Listings and NPA Map**

Attached is a listing of rate centers for each NPA and listings of the central office codes, rate centers, and Common Language Location Identifiers (CLLI) that will remain in the 270 NPA and those that will move to the new 364 NPA sorted by NXX and by rate center. This information is current as of July 25, 2007. Since NXX information may change over time, please consult the NANPA website at [www.nanpa.com](http://www.nanpa.com), the Local Exchange Routing Guide (LERG) or the NXX Activity Guide (NNAG) for updated information. Information in the LERG and NNAG is available by license contract from Telcordia Routing Administration (TRA), at 732-699-6700. The attached map identifies the NPA boundaries after the 2-way split.

### **Dialing Plan**

At the beginning of mandatory dialing on DATE TO BE DETERMINED, the dialing plan for the 270 and 364 NPAs will be as follows:

Type of call	Call terminating to	Dialing plan
Local call	Home NPA (HNPA)	7-digits (NXX-XXXX)
	Foreign NPA (FNPA)	7-digits (NXX-XXXX)
Toll Call	HNPA & FNPA	1+10-digits (1+NPA-NXX-XXXX)
Operator Services Credit card, collect, third party	HNPA or FNPA	0 + 10-digits (0 + NPA-NXX-XXXX)

### **Network Testing**

All international and domestic carriers should ensure that the new 364 NPA has been activated throughout their networks prior to July 1, 2008. The test number to verify the routing to the new NPA will be in service beginning March 31, 2008, through DATE TO BE DETERMINED. The test number to verify the routing to the 364 NPA is 364-364-4444. A recorded announcement will indicate that the test call has been successfully completed.
