

Number: PL- 378
Date: May 7, 2008
Subject: NPA 747 to Overlay NPA 818 (California)
Related Previous Planning Letters: None

General Description

On April 24, 2008 the California Public Utilities Commission (CPUC) in Order D.08-04-059 approved an all-services overlay as the relief method for the 818 NPA. The 818 NPA generally covers most of the San Fernando Valley portion of Los Angeles County and a small portion of Ventura County and principally serves the communities of Agoura Hills, Burbank, Canoga Park, Calabasas, Glendale, Granada Hills, Hidden Hills, La Canada Flintridge, La Crecenta, Los Angeles, North Hollywood, Northridge, Oak Park, Pasadena, Pacoima, Reseda, San Fernando, Sepulveda, Sun Valley, Sunland Tujunga, Thousand Oaks, Van Nuys and Westlake Village. The new **747 NPA** will serve the same geographic area currently served by the existing 818 NPA.

Implementation of Relief Plan

Implementation of the overlay of the 747 NPA is as follows:

	Time	Date
Start of permissive 1+10-digit dialing	12:01 AM PT	October 11, 2008
End of permissive dialing and start of mandatory 1+10-digit dialing	12:01 AM PT	April 18, 2009
Earliest new NPA central office code activation date*	-	May 18, 2009
Earliest date central office codes in the new NPA may be ordered through NANPA	-	November 18, 2008

* Effective Date of the New 747 NPA

During the permissive dialing period, subscribers may dial calls within the overlay area on either a 7-digit or 1+10-digit basis, but will be encouraged to dial 1+10-digits. After the permissive period ends, all calls must be dialed using 1+10-digits.

Central Office Code Listings and NPA Map

A map of the 818/747 NPA overlay is attached. An updated list of NXX codes assigned to the affected area may be found on the NANPA website at www.nanpa.com or in the Local Exchange Routing Guide (LERG) or the NPA NXX Activity Guide (NNAG). Information in the LERG and NNAG can be obtained by contacting Telcordia Routing Administration (TRA), at 732-699-6700.

Dialing Plan

Coincident with the introduction of mandatory 1+10-digit dialing on April 18, 2009, the dialing plan for the 818 and 747 NPAs will be as follows:

Type of call	Call terminating in	Dialing plan
Local call	Home NPA (HNPA) or Foreign NPA (FNPA)	1 + 10-digits (1 + NPA-NXX-XXXX)
Toll call	HNPA or FNPA	1 + 10-digits (1 + NPA-NXX-XXXX)
Operator Services Credit card, collect, third party	HNPA or FNPA	0 + 10-digits (0 + NPA-NXX-XXXX)

Network Testing

All international and domestic carriers should ensure that the new 747 NPA has been activated throughout their networks prior to May 18, 2009. A test number to verify the routing to the new NPA will be in service beginning February 18, 2009 through August 18, 2009. The test number to verify the routing to the 747 NPA is (747) 222-8378 (TEST). A recorded announcement will indicate that the test call has been successfully completed.

General Information

The information in this planning letter reflects detailed information about NPA relief activities. The information has been derived from commission orders and from industry implementation decisions. The implementation of the plan described in this letter is the responsibility of individual service providers, and NANPA does not guarantee that the activities and plans will occur exactly as described herein.

Contact Information

General questions regarding the relief of the NPA 818 should be directed to Joe Cocke, Senior NPA Relief Planner - NANPA, on 805-520-1945. Questions of a technical nature should be directed to the NPA coordinator of the appropriate service provider.

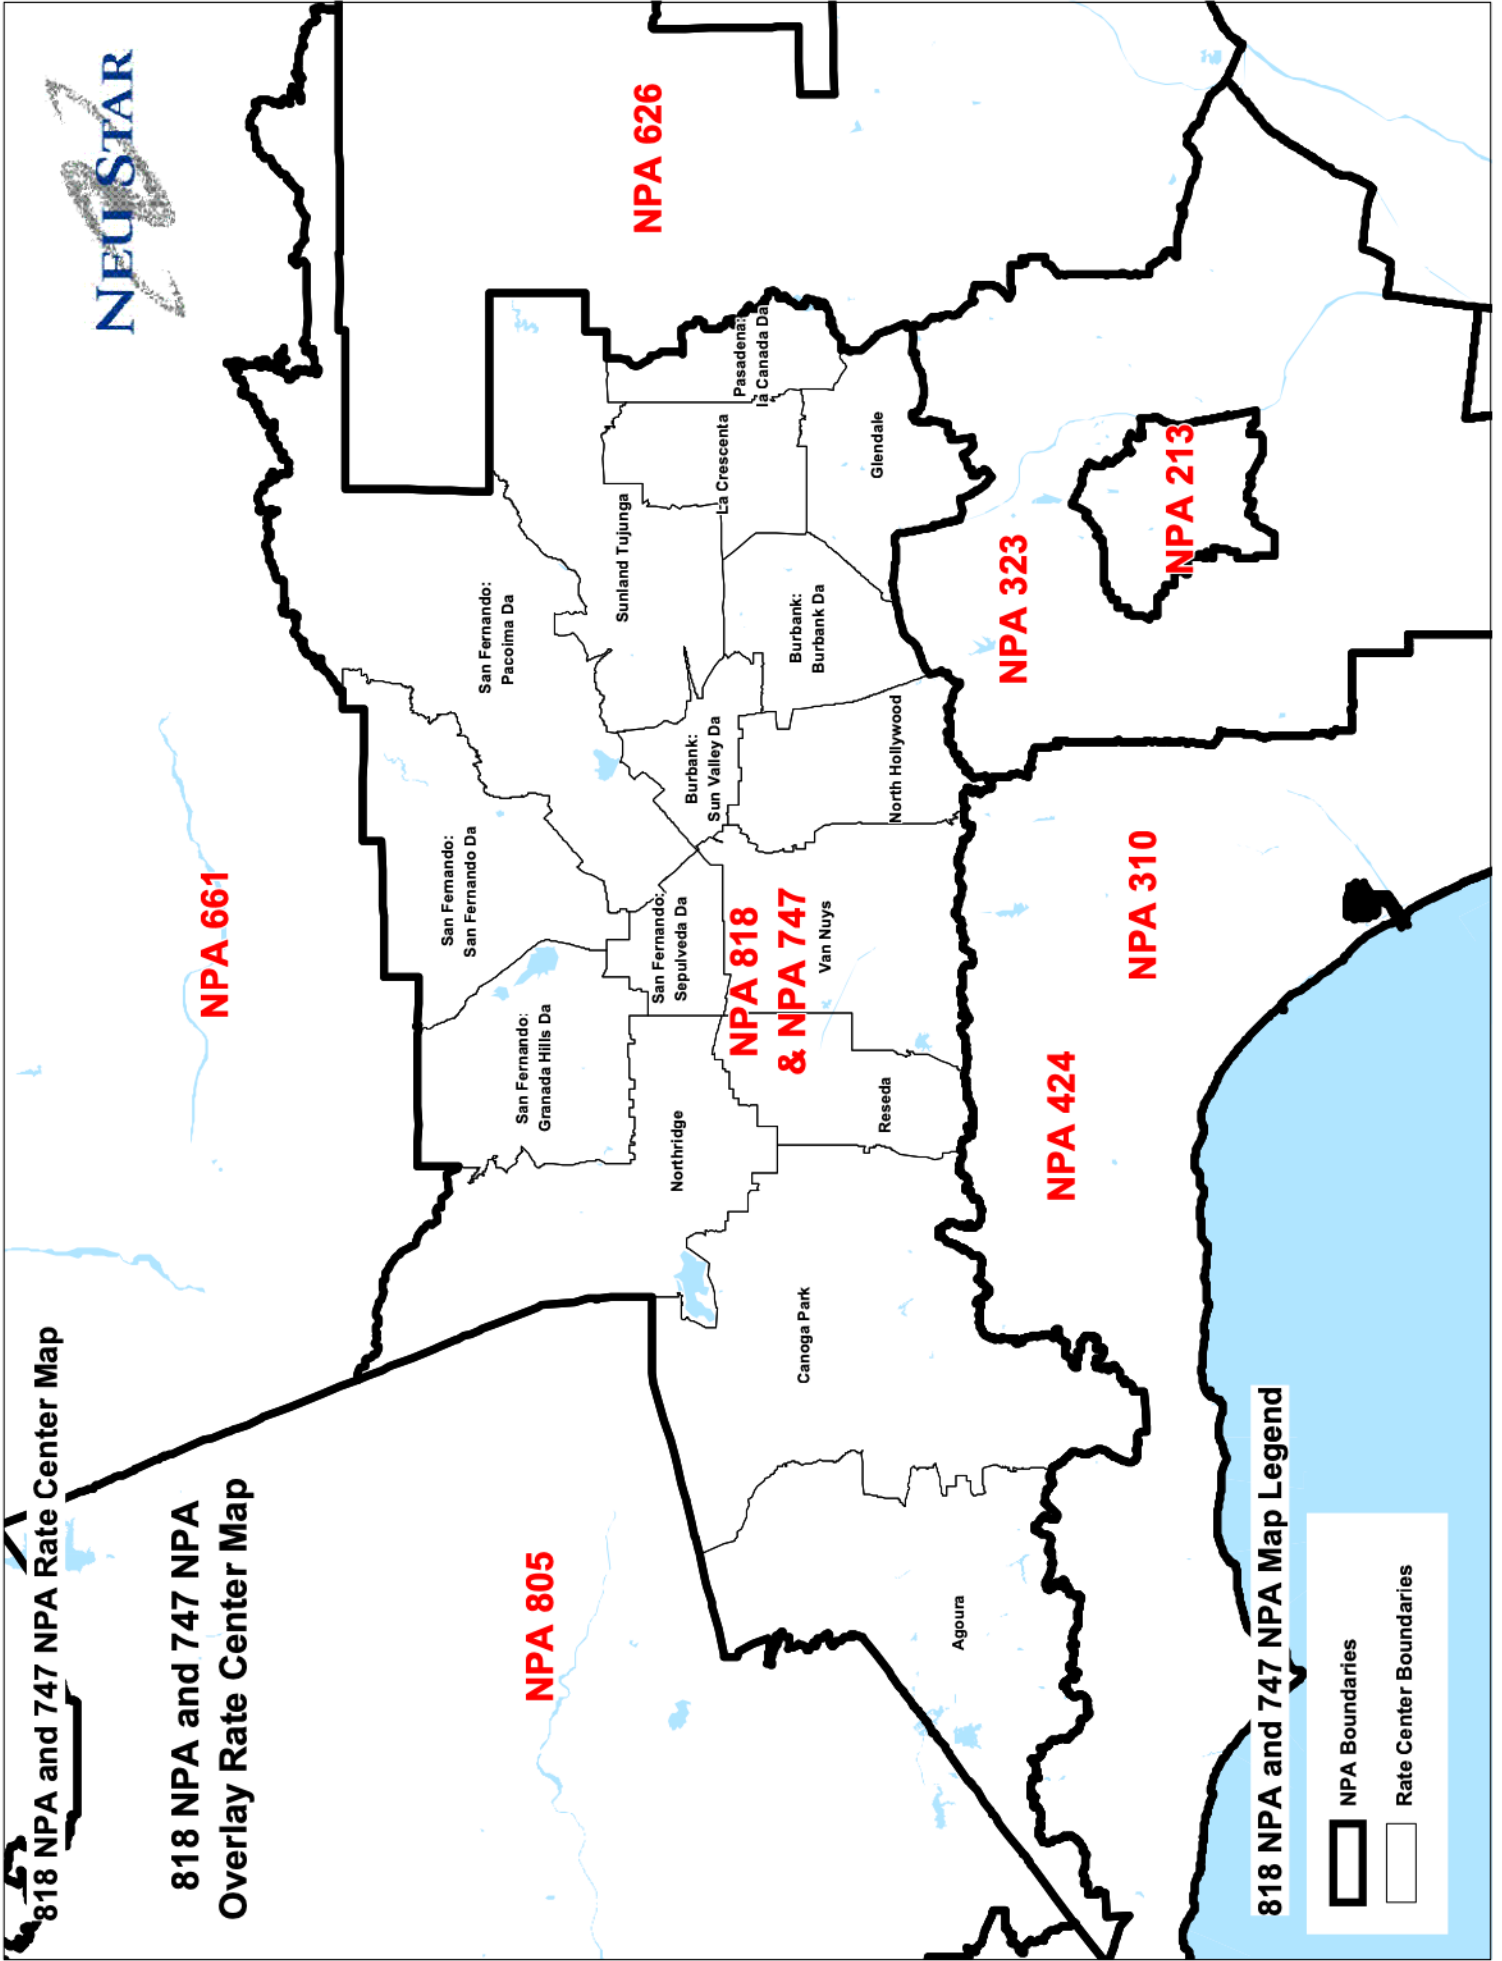

Attached is a list of service provider and contact information that is provided to assist in the implementation of the relief plan described herein. Because this information is subject to change, NANPA cannot guarantee the completeness or the accuracy of the attached list.
