

Number: PL- 430
Date: November 2, 2011
Subject: NPA 669 to Overlay NPA 408 (California)
Related Previous Planning Letters: 149, 206

General Description

On October 20, 2011 the California Public Utilities Commission (CPUC) in Decision 11-10-031 approved an all-services overlay as the relief method for the 408 NPA. The 408 NPA generally covers most of Santa Clara County and small portions of Alameda and Santa Cruz Counties and principally serves the communities of Campbell, Cupertino, Gilroy, Los Gatos, Milpitas, Monte Sereno, Morgan Hill, Palo Alto, San Antonio, San Jose, San Martin, Santa Clara, Saratoga, Sunnyvale and a small portion of Fremont.

The new **669 NPA** will serve the same geographic area currently served by the existing 408 NPA.

Implementation of Relief Plan

Implementation of the overlay of the 669 NPA is as follows:

	Time	Date
Start of permissive 1+10-digit dialing	12:01 AM PT	April 21, 2012
End of permissive dialing and start of mandatory 1+10-digit dialing	12:01 AM PT	October 20, 2012
Earliest new NPA central office code activation date*	-	November 20, 2012
Earliest date central office codes in the new NPA may be ordered through NANPA	-	May 20, 2012

* Effective Date of the New 669 NPA

During the permissive dialing period, subscribers may dial calls within the overlay area on either a 7-digit or 1+10-digit basis, but will be encouraged to dial 1+10-digits. After the permissive period ends, all calls must be dialed using 1+10-digits.

Central Office Code Listings and NPA Map

A map of the 408/669 NPA overlay is attached. An updated list of NXX codes assigned to the affected area may be found on the NANPA website at www.nanpa.com or in the Local Exchange Routing Guide (LERG) or the NPA NXX Activity Guide (NNAG). Information in the LERG and NNAG can be obtained by contacting Telcordia Routing Administration (TRA), at 732-699-6700.

Dialing Plan

Coincident with the introduction of mandatory 1+10-digit dialing on October 20, 2012, the dialing plan for the 408 and 669 NPAs will be as follows:

Type of call	Call terminating in	Dialing plan
Local call	Home NPA (HNPA) or Foreign NPA (FNPA)	1 + 10-digits (1 + NPA-NXX-XXXX)
Toll call	HNPA or FNPA	1 + 10-digits (1 + NPA-NXX-XXXX)
Operator Services Credit card, collect, third party	HNPA or FNPA	0 + 10-digits (0 + NPA-NXX-XXXX)

Network Testing

All international and domestic carriers should ensure that the new 669 NPA has been activated throughout their networks prior to November 20, 2012. A test number to verify the routing to the new NPA will be in service beginning August 20, 2012 through January 20, 2013. The test number to verify the routing to the 669 NPA is (669) 669-1669. A recorded announcement will indicate that the test call has been successfully completed.

General Information

The information in this planning letter reflects detailed information about NPA relief activities. The information has been derived from commission orders and from industry implementation decisions. The implementation of the plan described in this letter is the responsibility of individual service providers, and NANPA does not guarantee that the activities and plans will occur exactly as described herein.

Contact Information

General questions regarding the relief of the NPA 408 should be directed to Joe Cocke, Senior NPA Relief Planner - NANPA, on 805-520-1945. Questions of a technical nature should be directed to the NPA coordinator of the appropriate service provider.

Attached is a list of service provider and contact information that is provided to assist in the implementation of the relief plan described herein. Because this information is subject to change, NANPA cannot guarantee the completeness or the accuracy of the attached list.
