

Number: PL – 449
Date: January 29, 2013
Subject: NPA 364 to Overlay NPA 270 (Kentucky)
Related Previous Planning Letters: None

General Description

On December 17, 2012, the Kentucky Public Service Commission (KY PSC) in Case No. 2012-00129 ordered an all services overlay with the implementation dates shown below as the relief method for the 270 NPA. The 270 NPA generally covers the western half of Kentucky serving communities such as Bowling Green, Elizabethtown, Henderson, Hopkinsville, Owensboro and Paducah. The new **364 NPA** will serve the same geographic area currently served by the existing 270 NPA. A map showing the area served by these NPAs is attached.

Implementation of Relief Plan

Implementation of the overlay of the 270 NPA is as follows:

	Time	Date
Start network preparation for the overlay no later than		February 2, 2013
Start of permissive 10-digit dialing	12:01 AM CT	August 3, 2013
End of permissive dialing and start of mandatory 10-digit dialing	12:01 AM CT	February 1, 2014
Earliest new NPA central office code activation date *	-	March 3, 2014
Earliest date central office codes in the new NPA may be ordered through NANPA	-	September 3, 2013

* Effective Date of the New 364 NPA

During the permissive dialing period, subscribers may dial local calls within the overlay area on either a 7-digit or 10-digit basis, but will be encouraged to dial 10-digits. After the permissive period ends, all calls must be dialed using 10-digits.

When preparing for overlay area code relief, carriers are strongly encouraged to prepare their switches to begin sending 10 digits prior to the mandatory 10-digit dialing conversion date for customers.

Central Office Code Listings and NPA Map

A rate center map of the 270/364 NPA overlay is attached. Since NXX information may change over time, please consult the NANPA website at www.nanpa.com, the Local Exchange Routing Guide (LERG) or the NXX Activity Guide (NNAG) for updated information. Information in the LERG and NNAG is available by license contract from Telcordia Routing Administration (TRA), at 732-699-6700.

Dialing Plan

Coincident with the introduction of mandatory 10-digit dialing, the dialing plan for the 270 and 364 NPAs will be as follows:

Type of call	Call terminating in	Dialing plan
Local Call	Home NPA (HNPA) or Foreign NPA (FNPA)	10-digits (NPA-NXX-XXXX)*
Toll Call	HNPA or FNPA	1 + 10-digits (1 + NPA-NXX-XXXX)
Operator Services Credit card, collect, third party	HNPA or FNPA	0 + 10-digits (0 + NPA-NXX-XXXX)

*1+10 digit permissible at service provider's discretion

Network Testing

All international and domestic carriers should ensure that the new 364 NPA has been activated throughout their networks prior to March 3, 2014. The test number to verify the routing to the new NPA will be in service beginning December 2, 2013 through April 3, 2014. The test number to verify the routing to the 364 NPA is 364-364-1364. A recorded announcement will indicate that the test call has been successfully completed.

General Information

The information in this planning letter reflects detailed information about NPA relief activities. The information has been derived from commission orders and from industry implementation decisions. The implementation of the plan described in this letter is the responsibility of individual service providers, and NANPA does not guarantee that the activities and plans will occur exactly as described herein.

Contact Information

General questions regarding the relief of the 270 NPA overlay should be directed to Wayne Milby, Senior NPA Relief Planner NANPA, on 804-795-5919. Questions of a technical nature should be directed to the NPA coordinator of the appropriate service provider.

Attached is a list of company and contact information that is provided to assist in the implementation of the relief plan described herein. Because this information is subject to change, NANPA cannot guarantee the completeness or the accuracy of the attached list.
