**Date:** May 13, 2015  
**Subject:** NPA 463 to Overlay NPA 317 (Indiana)  
**Related Previous Planning Letters:**

---

### General Description

On April 8, 2015 the Indiana Regulatory Commission (IURC) in its order in Cause No. 44513 approved an all-services overlay as the relief method for the 317 NPA. The 317 NPA serves the central area of Indiana. The new 463 NPA will serve the same geographic area currently served by the existing 317 NPA.

### Implementation of Relief Plan

Implementation of the overlay of the 463 NPA is as follows:

	Time	Date
Start of Network Preparation and Customer Education		September 19, 2015
Start of permissive 10-digit dialing	12:01 AM ET	March 19, 2016
End of permissive dialing and start of mandatory 10-digit dialing	12:01 AM ET	September 17, 2016
Earliest new NPA central office code activation date*	-	October 17, 2016
Earliest date central office codes in the new NPA may be ordered through NANPA	-	August 12, 2016

\* Effective Date of the New 463 NPA

During the permissive dialing period, subscribers may dial local calls within the overlay area on either a 7-digit or 10-digit basis, but will be encouraged to dial 10-digits. After the permissive period ends, all calls must be dialed using 10-digits.

When preparing for overlay area code relief, carriers are strongly encouraged to prepare their switches to begin sending 10 digits prior to the mandatory 10-digit dialing conversion date for customers.

### Central Office Code Listings and NPA Map

A rate center map of the 317/463 NPA overlay is attached. Since NXX information may change over time, please consult the NANPA website at [www.nanpa.com](http://www.nanpa.com), iconectiv's LERG Routing

Guide or the NPA NXX Activity Guide for updated information. Information in the LERG Routing Guide and the NPA NXX Activity Guide is available by license contract from Telecom Routing Administration (TRA), at 732-699-6700.

## Dialing Plan

Coincident with the introduction of mandatory 10-digit dialing on 09/17/2016, the dialing plan for the 317 and 463 NPAs will be as follows:

Type of call	Call terminating in	Dialing plan
Local call	Home NPA (HNPA) or Foreign NPA (FNPA)	10-digits ( NPA-NXX-XXXX)*
Toll call	HNPA or FNPA	1 + 10-digits (1 + NPA-NXX-XXXX)
Operator Services Credit card, collect, third party	HNPA or FNPA	0 + 10-digits (0 + NPA-NXX-XXXX)

\*1+10 digit for all HNPA and FNPA calls permissible at each service provider's discretion

## Network Testing

All international and domestic carriers should ensure that the new 463 NPA has been activated throughout their networks prior to 10/17/2016. A test number to verify the routing to the new NPA will be in service beginning 07/17/2016 through 11/17/2016. The test number to verify the routing to the 463 NPA is (463) 463-1463. A recorded announcement will indicate that the test call has been successfully completed.

## General Information

The information in this planning letter reflects detailed information about NPA relief activities. The information has been derived from commission orders and from industry implementation decisions. The implementation of the plan described in this letter is the responsibility of individual service providers, and NANPA does not guarantee that the activities and plans will occur exactly as described herein.

## Contact Information

General questions regarding the relief of the NPA 463 should be directed to Wayne Milby, Senior NPA Relief Planner - NANPA, on 804-795-5919. Questions of a technical nature should be directed to the NPA coordinator of the appropriate service provider.

Attached is a list of company and contact information that is provided to assist in the implementation of the relief plan described herein. Because this information is subject to change, NANPA cannot guarantee the completeness or the accuracy of the attached list.
