

Number: PL- 494
Date: August 9, 2016
Subject: NPA 213 and 323 Boundary Elimination Overlay (California)
Related Previous Planning Letters: None

General Description

On July 14, 2016 the California Public Utilities Commission (CPUC) in Decision 16-07-014 approved a boundary elimination overlay as the relief method for the 323 NPA. The 213 and 323 NPAs generally serve the downtown portion of the City of Los Angeles and the surrounding cities of Alhambra, Bell, Bell Gardens, Beverly Hills, Commerce, Cudahy, Glendale, Hawthorne, Huntington Park, Inglewood, Lynwood, Maywood, Montebello, Monterey Park, Pasadena, Rosemead, South Gate, South Pasadena, Vernon and West Hollywood as well as unincorporated portions of Los Angeles County. The new **213-323 NPA Overlay** will be an all-services overlay and will serve the same geographic areas currently served by the existing 213 and 323 NPAs.

Implementation of Relief Plan

Implementation of the 213-323 NPA overlay is as follows:

	Time	Date
Start of permissive 1+10-digit dialing	12:01 AM PT	January 14, 2017
End of permissive dialing and start of mandatory 1+10-digit dialing	12:01 AM PT	July 8, 2017
Earliest new 213 NPA central office code activation date in 323 NPA overlay area*	-	August 1, 2017
Earliest date central office codes in the new 213-323 overlay area may be ordered through NANPA	-	May 27, 2017

* Effective Date of the New 213-323 NPA Overlay, also earliest 323 NPA central office code activation in 213 NPA overlay area.

During the permissive dialing period, subscribers may dial calls within the overlay area on either a 7-digit or 1+10-digit basis, but will be encouraged to dial 1+10-digits. After the permissive period ends, all calls must be dialed using 1+10-digits.

Central Office Code Listings and NPA Maps

Rate center maps of the 213/323 NPA overlay are attached. Since NXX information may change over time, please consult the NANPA website at www.nanpa.com, iconectiv's LERG Routing Guide or the NPA NXX Activity Guide for updated information. Information in the LERG Routing Guide and NPA NXX Activity Guide is available by license contract from Telecom Routing Administration, at 732-699-6700.

Dialing Plan

Coincident with the introduction of mandatory 1+10-digit dialing on July 8, 2017, the dialing plan for the 213 and 323 NPAs will be as follows:

Type of call	Call terminating in	Dialing plan
Local call	Home NPA (HNPA) or Foreign NPA (FNPA)	1 + 10-digits (1 + NPA-NXX-XXXX)
Toll call	HNPA or FNPA	1 + 10-digits (1 + NPA-NXX-XXXX)
Operator Services Credit card, collect, third party	HNPA or FNPA	0 + 10-digits (0 + NPA-NXX-XXXX)

Network Testing

All international and domestic carriers should ensure that the 213 and 323 NPAs are already activated throughout their networks. Since these are active NPAs, a test number is not necessary.

General Information

The information in this planning letter reflects detailed information about NPA relief activities. The information has been derived from commission orders and from industry implementation decisions. The implementation of the plan described in this letter is the responsibility of individual service providers, and NANPA does not guarantee that the activities and plans will occur exactly as described herein.

Contact Information

General questions regarding the relief of the NPA 323 should be directed to Joe Cocke, Senior NPA Relief Planner - NANPA, on 571-434-5690. Questions of a technical nature should be directed to the NPA coordinator of the appropriate service provider.

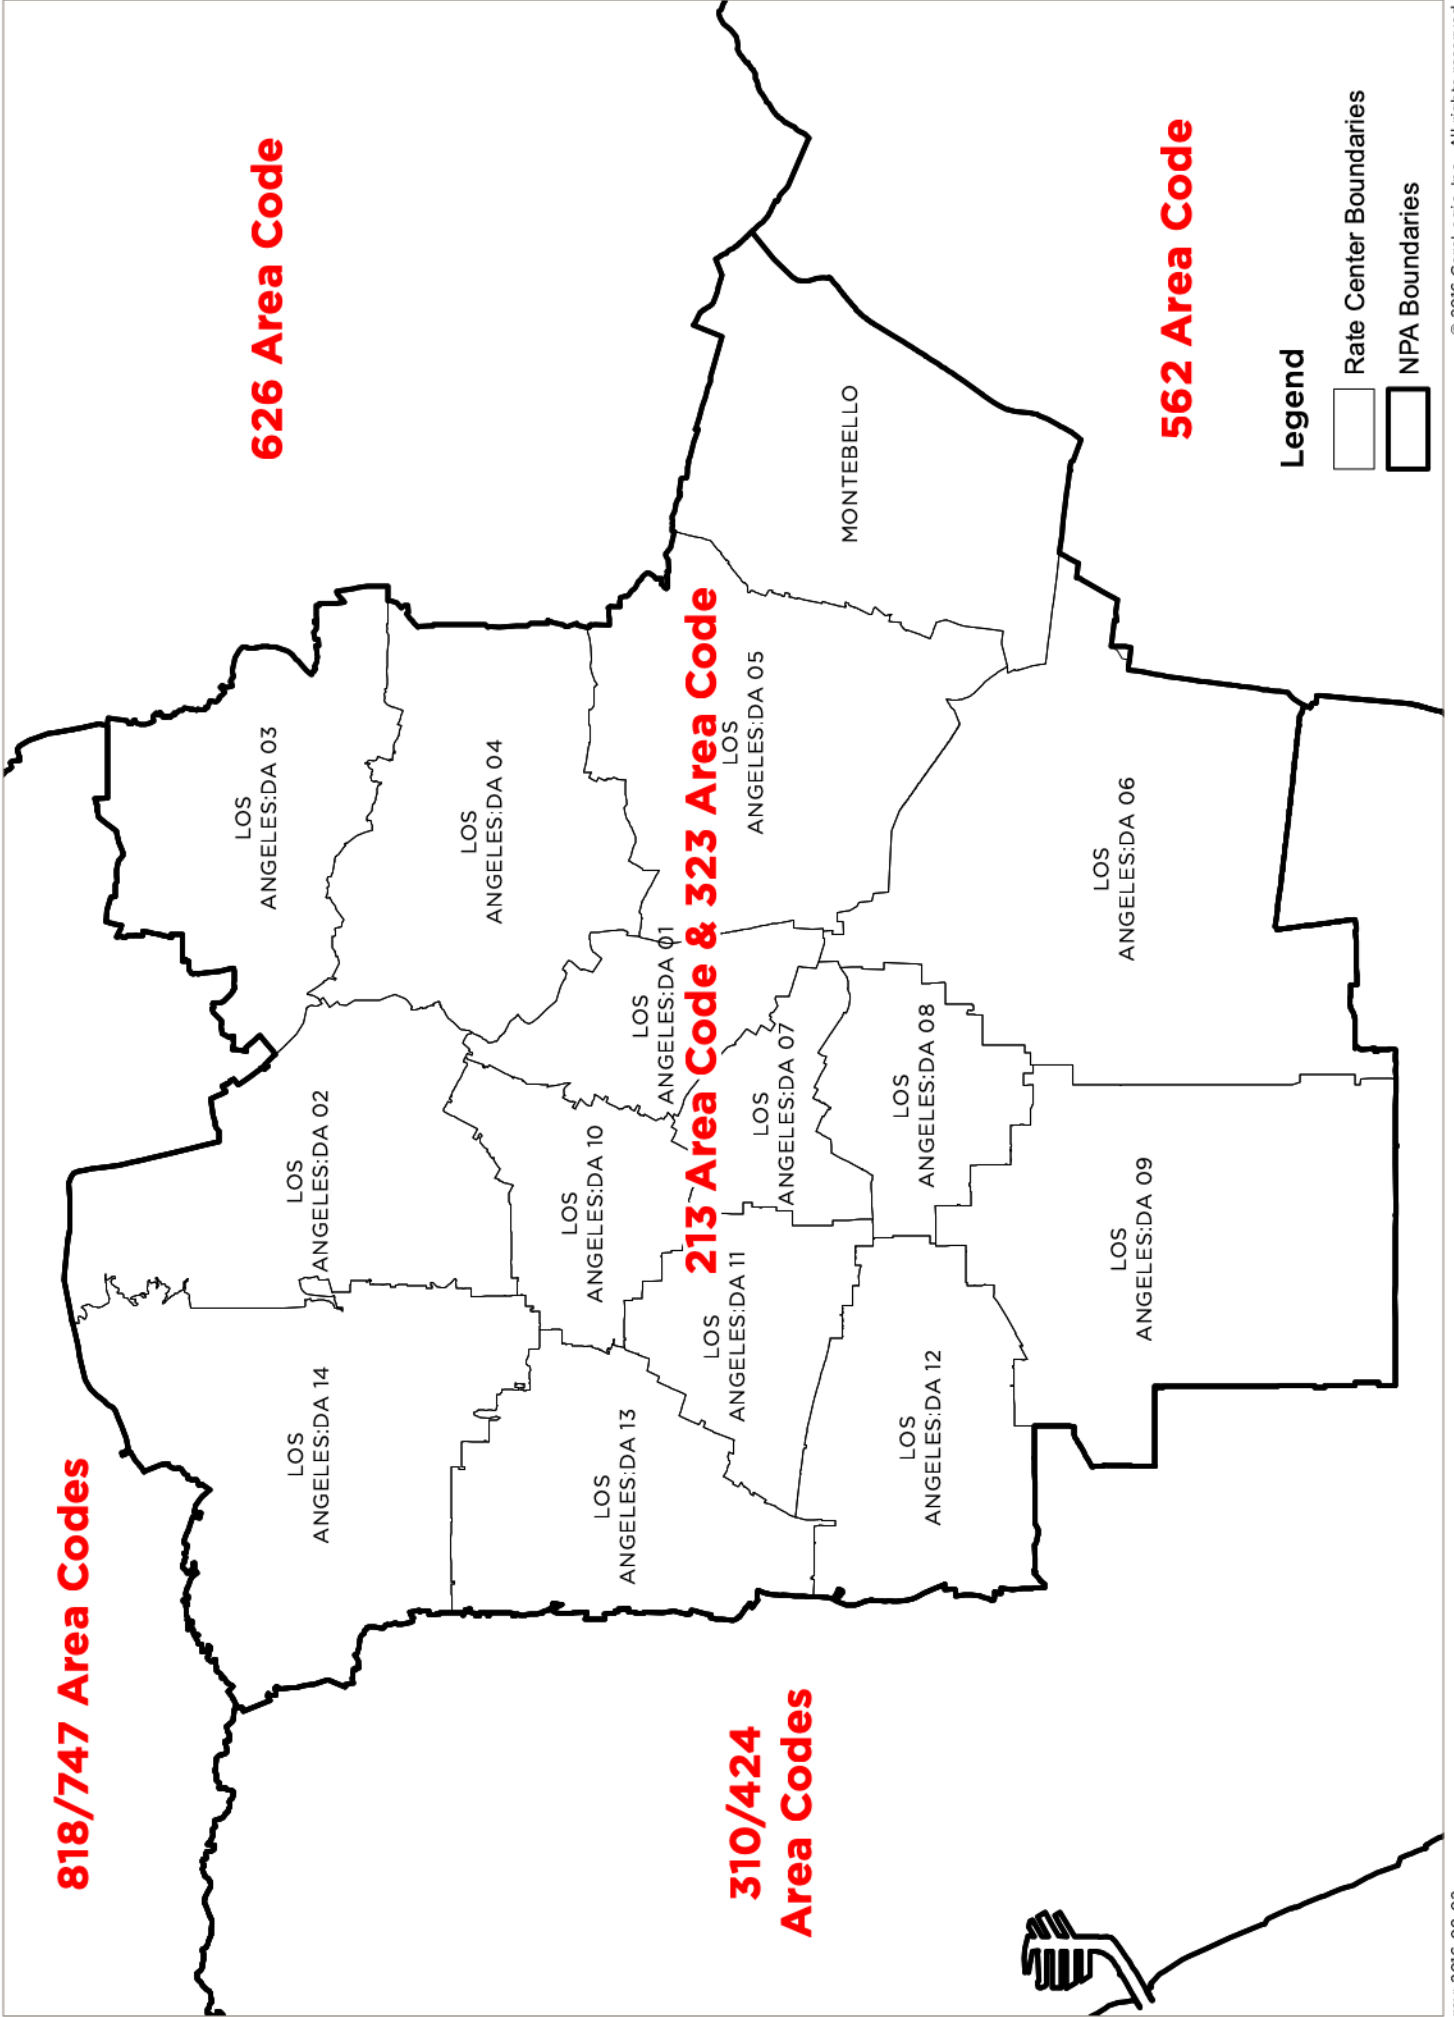

Attached is a list of service provider and contact information that is provided to assist in the implementation of the relief plan described herein. Because this information is subject to change, NANPA cannot guarantee the completeness or the accuracy of the attached list.
