

**Number:** PL-591  
**Date:** May 11, 2022  
**Subject:** NPA 329 and 845 All-Services Overlay (New York)  
**Related Previous Planning Letters:** 556, 544, 211

---

### General Description

On April 14, 2022 the New York Public Service Commission in Case 21-C-0600, approved an all-services distributed overlay as the relief method for the 845 NPA. The 845 NPA is in the southeastern portion of New York and serves all or parts of Columbia, Delaware, Dutchess, Greene, Orange, Putnam, Rockland, Sullivan, Ulster and Westchester counties. The new **329 NPA** will serve the same geographic area currently served by the existing 845 NPA. Additionally, central office codes in the 329 NPA will be available for assignment only when all assignable central office codes in the 845 NPA have been exhausted.

### Implementation of Relief Plan

Implementation of the 845/329 NPA overlay is as follows:

	Time	Date
Carriers to enforce mandatory 10-digit dialing*	NA	July 15, 2022
Network preparation and customer education begins	NA	June 24, 2022
Network preparation and customer education period ends	NA	March 24, 2023
Earliest new 329 central office code activation date**	-	March 24, 2023
Earliest date central office codes in the new 329 NPA may be ordered through NANPA***	-	January 17, 2023

\* Carriers to enforce mandatory 10-digit dialing no earlier than October 24, 2021, and no later than July 15, 2022 ([See PL-556](#)). Customers have already been educated that mandatory 10-digit dialing started on October 24, 2021.

\*\* In Service Date of the New 329 NPA Overlay

\*\*\* Central office codes in the 329 NPA available only when all assignable central office codes in the 845 NPA are assigned.

### Central Office Code Listings and NPA Maps

A rate center map of the 845/329 NPA overlay is attached. Since NXX information may change over time, please consult the NANPA website at [www.nanpa.com](http://www.nanpa.com), iconectiv's LERG Routing Guide or the NPA NXX Activity Guide for updated information. Information in the LERG Routing Guide and NPA NXX Activity Guide is available by license contract from Telecom Routing Administration, at 732-699-6700.

## Dialing Plan

The dialing plan for the 845/329 NPA overlay is as follows:

Type of call	Call terminating in	Dialing plan
Local & Toll Calls	Overlay Home NPAs (HNPA) (Within and between the 845 and 329 NPAs)	10-digits (NPA-NXX-XXXX)*
Local & Toll Calls	Foreign NPA (FNPA) outside of overlay NPAs	1 + 10-digits (1 + NPA-NXX-XXXX)
Operator Services Credit card, collect, third party	HNPA or FNPA	0 + 10-digits (0 + NPA-NXX-XXXX)

\*1+10 digit dialing for all calls permissible at each service provider's discretion.

## Network Testing

All international and domestic carriers should ensure that the new 329 NPA has been activated throughout their networks prior to March 24, 2023. The test number to verify the routing to the 329 NPA will be in service beginning December 24, 2022 through April 24, 2023. The test number to verify the routing to the 329 NPA is: 329-990-TEST (8378). A recorded announcement will indicate the test call has been successfully completed.

## General Information

The information in this planning letter reflects detailed information about NPA relief activities. The information has been derived from commission orders and from industry implementation decisions. The implementation of the plan described in this letter is the responsibility of individual service providers, and NANPA does not guarantee that the activities and plans will occur exactly as described herein.

## Contact Information

General questions regarding the relief of the 845 NPA should be directed to Heidi Wayman – NANPA, on 571-363-3824. Questions of a technical nature should be directed to the NPA coordinator of the appropriate service provider.

Attached is a list of service provider and contact information that is provided to assist in the implementation of the relief plan described herein. Because this information is subject to change, NANPA cannot guarantee the completeness or the accuracy of the attached list.
