

**Number:** PL-605  
**Date:** November 9, 2022  
**Subject:** NPA 353 and 608 All-Services Overlay (Wisconsin)  
**Related Previous Planning Letters:** 556, 544

---

## General Description

On September 16, 2022 the Public Service Commission of Wisconsin in Docket 5-TN-112, approved an all-services distributed overlay as the relief method for the 608 NPA. The 608 NPA serves the southwestern portion of the state including the State Capitol of Madison. The 608 NPA serves all or portions of communities including but not limited to Beloit, Janesville, La Crosse, Middleton, Monroe, Stoughton, Sun Prairie, and Wisconsin Dells. The 608 serves all or portions of the following counties Adams, Buffalo, Columbia, Crawford, Dane, Grant, Green, Iowa, Jackson, Jefferson, Juneau, La Crosse, Lafayette, Marquette, Monroe, Richland, Rock, Sauk, Trempealeau, Vernon, and Walworth. The new **353 NPA** will serve the same geographic area currently served by the existing 608 NPA. Additionally, central office (“CO”) codes in the 353 NPA will be available for assignment only when all assignable CO codes in the 608 NPA have been assigned.

## Implementation of Relief Plan

Implementation of the 608/353 NPA overlay is as follows:

	Date
Network preparation and customer education begins	December 15, 2022
Network preparation and customer education period ends	September 15, 2023
Earliest new 353 CO code activation date*	September 15, 2023
Earliest date CO codes in the new 353 NPA may be ordered through NANPA**	July 11, 2023

\* In Service Date of the New 353 NPA Overlay

\*\* CO codes in the 353 NPA available only when all assignable CO codes in the 608 NPA are assigned.

## Central Office Code Listings and NPA Maps

A rate center map of the 608/353 NPA overlay is attached. Since CO code information may change over time, please consult the NANPA website at [www.nanpa.com](http://www.nanpa.com), iconectiv®’s LERG™ Routing Guide or the NPA NXX Activity Guide for updated information. Information in the LERG™ Routing Guide and NPA NXX Activity Guide is available by license contract from Telecom Routing Administration (“TRA”), at 732-699-6700.

## Dialing Plan

Mandatory 10-digit local dialing is already required in the 608 NPA (See [PL-556](#)). The dialing plan for the 608/353 NPA overlay is as follows:

Type of call	Call terminating in	Dialing plan
Local, EAS, & ECC Calls	Home NPA (HNPA) or Foreign NPA (FNPA)	10-digits (NPA-NXX-XXXX)*
Toll Calls	HNPA or FNPA	1 + 10-digits (1 + NPA-NXX-XXXX)
Operator Services Credit card, collect, third party	HNPA or FNPA	0 + 10-digits (0 + NPA-NXX-XXXX)

\*1+10 digit dialing permissible at service provider's discretion.

## Network Testing

All international and domestic carriers should ensure that the new 353 NPA has been activated throughout their networks prior to September 15, 2023. The test number to verify the routing to the 353 NPA will be in service beginning June 15, 2023 through October 15, 2023. The test number to verify the routing to the 353 NPA is: 353-353-1353. A recorded announcement will indicate the test call has been successfully completed.

## General Information

The information in this planning letter reflects detailed information about NPA relief activities. The information has been derived from commission orders and from Industry implementation decisions. The implementation of the plan described in this letter is the responsibility of individual service providers, and NANPA does not guarantee that the activities and plans will occur exactly as described herein.

## Contact Information

General questions regarding the relief of the 608 NPA should be directed to Heidi Wayman – NANPA, on 571-363-3824. Questions of a technical nature should be directed to the NPA coordinator of the appropriate service provider.

Attached is a list of service providers and contact information that is provided to assist in the implementation of the relief plan described herein. Because this information is subject to change, NANPA cannot guarantee the completeness or the accuracy of the attached list.
