

**Number:** PL-614  
**Date:** May 16, 2023  
**Subject:** NPA 738 and 213/323 All-Services Overlay (California)  
**Related Previous Planning Letters:** 494, 080, 062

---

### General Description

On March 16, 2023, the California Public Utilities Commission in Application 22-08-009, Decision 23-03-006, approved an all-services distributed overlay as the relief method for the 213/323 NPA. The 213/323 NPA serves the downtown portion of the City of Los Angeles and the surrounding cities of Alhambra, Bell, Bell Gardens, Beverly Hills, Commerce, Cudahy, Glendale, Hawthorne, Huntington Park, Inglewood, Lynwood, Maywood, Montebello, Monterey Park, Pasadena, Rosemead, South Gate, South Pasadena, Vernon and West Hollywood as well as unincorporated portions of Los Angeles County. The new **738 NPA** will serve the same geographic area currently served by the existing 213/323 NPA. Additionally, central office (“CO”) codes in the 738 NPA will be available for assignment only when all assignable CO codes in the 213 and 323 NPAs have been assigned.

### Implementation of Relief Plan

Implementation of the 213/323/738 NPA overlay is as follows:

	Date
Network preparation and customer education begins	February 1, 2024
Network preparation and customer education period ends	November 1, 2024
Earliest new 738 CO code activation date*	November 1, 2024
Earliest date CO codes in the new 738 NPA may be ordered through NANPA**	August 27, 2024

\* In-service Date of the New 738 NPA Overlay

\*\* CO codes in the 738 NPA available only when all assignable CO codes in the 213 and 323 NPAs are assigned.

## Central Office Code Listings and NPA Maps

A rate center map of the 213/323/738 NPA overlay is attached. Since CO code information may change over time, please consult the NANPA website at [www.nanpa.com](http://www.nanpa.com), iconectiv’s LERG™ Routing Guide or the NPA NXX Activity Guide (“NNAG”) for updated information. Information in the LERG™ Routing Guide and NNAG is available by license contract from Telecom Routing Administration (“TRA”), at 732-699-6700.

## Dialing Plan

Mandatory 1+10-digit local dialing is already required for the 213 and 323 NPAs; no permissive dialing period is necessary. The dialing plan for the 213/323/738 NPA overlay is as follows:

Type of call	Call terminating in	Dialing plan
Local Call	Home NPA (HNPA) or Foreign NPA (FNPA)	1 + 10-digits (1 + NPA-NXX-XXXX)
Toll Call	HNPA or FNPA	1 + 10-digits (1 + NPA-NXX-XXXX)
Operator Services Credit card, collect, third party	HNPA or FNPA	0 + 10-digits (0 + NPA-NXX-XXXX)

## Network Testing

All international and domestic carriers should ensure that the new 738 NPA has been activated throughout their networks prior to November 1, 2024. The test number to verify the routing to the 738 NPA will be in service beginning August 1, 2024 through December 1, 2024. The test number to verify the routing to the 738 NPA is: 738-738-1738. A recorded announcement will indicate the test call has been successfully completed.

## General Information

The information in this planning letter reflects detailed information about NPA relief activities. The information has been derived from commission orders and from industry implementation decisions. The implementation of the plan described in this letter is the responsibility of individual service providers, and NANPA does not guarantee that the activities and plans will occur exactly as described herein.

## Contact Information

General questions regarding the relief of the 213/323 NPA should be directed to Heidi Wayman – NANPA, on 571-363-3824. Questions of a technical nature should be directed to the NPA coordinator of the appropriate service provider.

Attached is a list of service provider and contact information that is provided to assist in the implementation of the relief plan described herein. Because this information is subject to change, NANPA cannot guarantee the completeness or the accuracy of the attached list.
