

Number: PL-616
Date: June 12, 2023
Subject: NPA 924 and 507 All-Services Overlay (Minnesota)
Related Previous Planning Letters: None

General Description

On April 6, 2023, the Minnesota Public Utilities Commission, in Order No. P-999/M-22-461, approved an all-services distributed overlay over the 507 NPA. The 507 NPA serves southern Minnesota and cities in the 507 NPA include but are not limited to Rochester, Mankato, Worthington, Fairmont, Albert Lea, Northfield, Austin and other smaller communities. The new **924 NPA** will serve the same geographic area currently served by the existing 507 NPA. Additionally, Central Office (CO) codes in the 924 NPA will be available for assignment only when all assignable CO codes in the 507 NPA have been assigned.

Implementation of Relief Plan

Implementation of the 507/924 NPA overlay is as follows:

	Date
Network preparation and customer education begins	July 31, 2023
Start of permissive 10-digit dialing	January 30, 2024
End of permissive dialing and start of mandatory 10-digit dialing	July 30, 2024
Earliest new 924 CO code activation date*	August 30, 2024
Earliest date CO codes in the new 924 NPA may be ordered through NANPA**	June 25, 2024

*In service date of the new 924 NPA overlay

** CO codes in the 924 NPA are available only when all assignable CO codes in the 507 NPA are assigned.

Central Office Code Listings and NPA Maps

A rate center map of the 507/924 NPA overlay is attached. Since CO code information may change over time, please consult the NANPA website at www.nanpa.com, iconectiv's LERG™ Routing Guide or the NPA NXX Activity Guide for updated information. Information in the LERG™ Routing Guide and NPA NXX Activity Guide is available by license contract from Telecom Routing Administration, at 732-699-6700.

Dialing Plan

Coincident with the introduction of mandatory 10-digit local dialing on July 30, 2024, the dialing plan for the 507 and 924 NPAs will be as follows:

Type of call	Call terminating in	Dialing plan
Local call	Home NPA (HNPA) or Foreign NPA (FNPA) (including Extended Area Service (EAS) calls)	10-digits (NPA-NXX-XXXX) *
Toll call	HNPA or FNPA	1 + 10-digits (1 + NPA-NXX-XXXX)
Operator Services Credit card, collect, third party	HNPA or FNPA	0 + 10-digits (0 + NPA-NXX-XXXX)

* 1+10 digit dialing permissible at service provider's discretion

Network Testing

All international and domestic carriers should ensure that the new 924 NPA has been activated throughout their networks prior to August 30, 2024. The test number to verify the routing to the 924 NPA will be in service beginning May 30, 2024, through September 30, 2024. The test number to verify the routing to the 924 NPA is: 924-924-1924. A recorded announcement will indicate the test call has been successfully completed.

General Information

The information in this planning letter reflects detailed information about NPA relief activities. The information has been derived from commission orders and from industry implementation decisions. The implementation of the plan described in this letter is the responsibility of individual service providers, and NANPA does not guarantee that the activities and plans will occur exactly as described herein.

Contact Information

General questions regarding the relief of the 507 NPA should be directed to Cecilia McCabe – NANPA, on 925-420-0130. Questions of a technical nature should be directed to the NPA coordinator of the appropriate service provider.

Attached is a list of service provider and contact information that is provided to assist in the implementation of the relief plan described herein. Because this information is subject to change, NANPA cannot guarantee the completeness or the accuracy of the attached list.
