

**Number:** PL-618  
**Date:** July 13, 2023  
**Subject:** NPA 679 and 313 All-Services Overlay (Michigan)  
**Related Previous Planning Letters:** 066, IL92/11-022

---

### General Description

On May 18, 2023, the Michigan Public Service Commission (Commission), in Case No. U-21337, approved an all-services distributed overlay over the 313 NPA. The 313 NPA serves Detroit and surrounding suburbs located in Wayne County. The new **679 NPA** will serve the same geographic area currently served by the existing 313 NPA. Additionally, Central Office (CO) codes in the 679 NPA will be available for assignment only when all assignable CO codes in the 313 NPA have been assigned. The 313-313 NXX will be released as an assignable CO code after the new 679 NPA in-service date.

### Implementation of Relief Plan

Implementation of the 313/679 NPA overlay is as follows:

	Date
Network preparation and customer education begins	October 7, 2024
Start of permissive 10-digit dialing	April 7, 2025
End of permissive dialing and start of mandatory 10-digit dialing	October 7, 2025
Earliest new 679 NPA CO code activation date*	November 7, 2025
Earliest date CO codes in the new 679 NPA may be ordered through NANPA**	September 2, 2025

\*In-service date of the new 679 NPA overlay

\*\* CO codes in the 679 NPA are available only when all assignable CO codes in the 313 NPA are assigned.

### Central Office Code Listings and NPA Maps

A rate center map of the 313/679 NPA overlay is attached. Since CO Code information may change over time, please consult the NANPA website at [www.nanpa.com](http://www.nanpa.com), iconectiv's LERG™ Routing Guide or the NPA NXX Activity Guide for updated information. Information in the LERG™ Routing Guide and NPA NXX Activity Guide is available by license contract from Telecom Routing Administration, at 732-699-6700.

## Dialing Plan

Coincident with the introduction of mandatory 10-digit local dialing on October 7, 2025, the dialing plan for the 313/679 NPA overlay is as follows:

Type of Call	Call Terminating in	Dialing Plan
Local	Home NPA (HNPA) or Foreign NPA (FNPA)	10 digits (NPA-NXX-XXXX)*
Toll	HNPA or FNPA	1+10 digits (1+NPA-NXX-XXXX)
Operator Services Credit card, collect, third party	HNPA or FNPA	0+10 digits (0+NPA-NXX-XXXX)

\*1+10 digit permissible at each service provider's discretion.

## Network Testing

All international and domestic carriers should ensure that the new 679 NPA has been activated throughout their networks prior to November 7, 2025. The test number to verify the routing to the 679 NPA will be in service beginning August 7, 2025, through December 7, 2025. The test number to verify the routing to the 679 NPA is: 679-679-0679. A recorded announcement will indicate the test call has been successfully completed.

## General Information

The information in this planning letter reflects detailed information about NPA relief activities. The information has been derived from commission orders and from industry implementation decisions. The implementation of the plan described in this letter is the responsibility of individual service providers, and NANPA does not guarantee that the activities and plans will occur exactly as described herein.

## Contact Information

General questions regarding the relief of the 313 NPA should be directed to Cecilia McCabe – NANPA, on 925-420-0130. Questions of a technical nature should be directed to the NPA coordinator of the appropriate service provider.

Attached is a list of service provider and contact information that is provided to assist in the implementation of the relief plan described herein. Because this information is subject to change, NANPA cannot guarantee the completeness or the accuracy of the attached list.
